NEVER THOUGHT MY DEFEAT WOULD BE SO ONE-SIDED.

Ugh

I'm going to need time to recover... but you won't wait, will you...

...no way, I can't get up...

So this... is as far as I go... I'm sorry, my boy-friends...

THESE LEGS BURSTING WITH MALE HORMONES, THEY ARE .....!!!

HUH !?

LOOKS LIKE YOUR MUSCLES HAVE BEEN BADLY DAMAGED.

WHO DID THIS TO YOU, MR. PRISONER?

I LOST, EVEN THOUGH I HAVE BECOME STRONGER .....

GAROU HAS APPEAR -ED...

THE "HERO HUNTER" HUH...

ガラ…

S-CLASS HEROES WOULD HAVE A HARD TIME FIGHTING HIM ONE-ON-ONE.

HE'S MORE POWERFUL THAN WE HAD IMAGINED... DON'T UNDER-ESTIMATE THIS TEENAGER, DARKY.

EVEN FOR SOMEONE WITH RIDICULOUSLY UNRIVALED STRENGTH LIKE YOU DARKY, FACING HIM IN A FRONTAL BATTLE WOULD BE VERY RISKY.

フシュウ

BUT I MUST LET YOU KNOW IN ADVANCE THAT THIS IS AN ENEMY PURI PURI PRISONER COULDN'T EVEN SCRATCH...

IT'S NOT CONVINCING COMING FROM ME, THE WEAKEST S-CLASS.

I WILL CRUSH GAROU ON YOUR BEHALF!
OK! GOT IT!

HE WON'T PUT A SCRATCH ON ME EITHER!!

DON'T WORRY

Eh!? Don't gawk at me like that, my muscles are shriveling up!

ポッ

Darky ...

IS THERE REALLY AN OPPONENT THAT I, SUPERALLOY DARKSHINE, CAN GO FULL POWER AGAINST!?

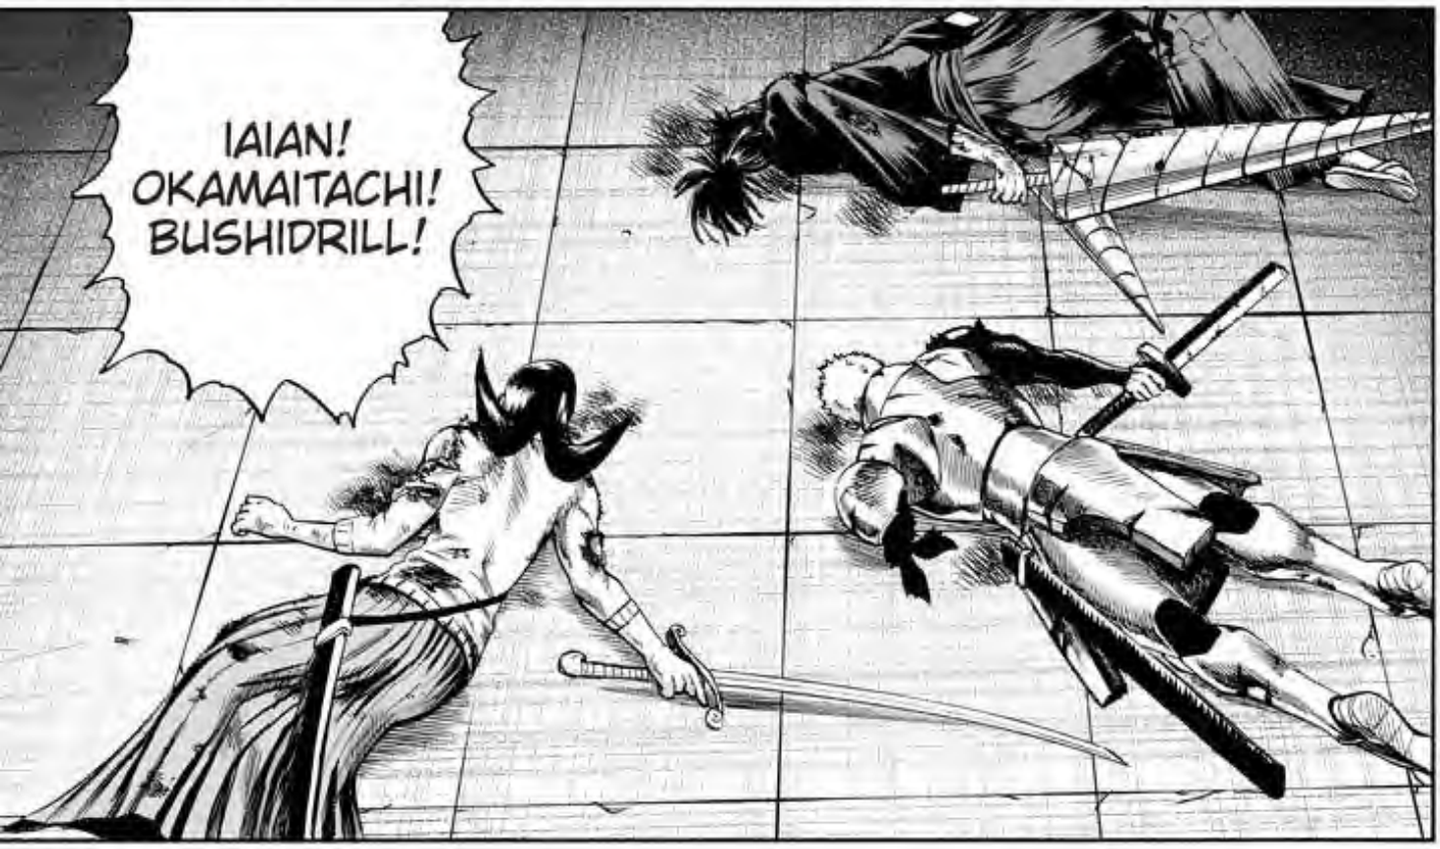
NOW THEN,

ドリ

No further contact from Atomic Samurai either.
"The other child" that he mentioned might still need protection, I better go check it out.

NO MESSA -GES.

The bulk of the Monster Association's forces should have been exhausted.
But I have also lost my final weapon, I should probably meet up with the others...



IAIAN!
OKAMAITACHI!
BUSHIDRILL!

Ugh
Child Empe-ror...
There's still a pulse... but these injuries are severe.
The top-three sword masters in A-Class are all down.

ARE YOU ALONE ...? THIS IS BAD...

GET AWAY FROM HERE NOW ...

IT'S STILL IN THE VICINITY ...!!

So this is a level "Dragon" !!?
Did this thing defeat the three sword masters?

It's just a symbiotic relationship between the fish and the strange body of water!!

Whatever penetrated the steel blade left a circular mark.

Just touching it could be fatal,

It absolutely must be avoided.

Based on how clean the cut is, the attack is similar to a water jet cutter used for demolition work.

NO DOUBT ABOUT IT, IN A NORMAL BATTLE, THIS IS AN EXTREMELY DANGEROUS MONSTER.

STILL, IT'S GREAT THAT I RUSHED HERE JUST IN TIME,

BECAUSE I HAVE A WAY TO DEAL WITH YOU...!

ヒヒヒヒ

BASED ON THE DATA COLLECTED BY DRIVE KNIGHT...

EVEN AMONG THE S-CLASS... PROBABLY ONLY TORNADO OF TERROR AND KING CAN DEFEAT SUCH OPPONENTS WITHOUT TROUBLE.

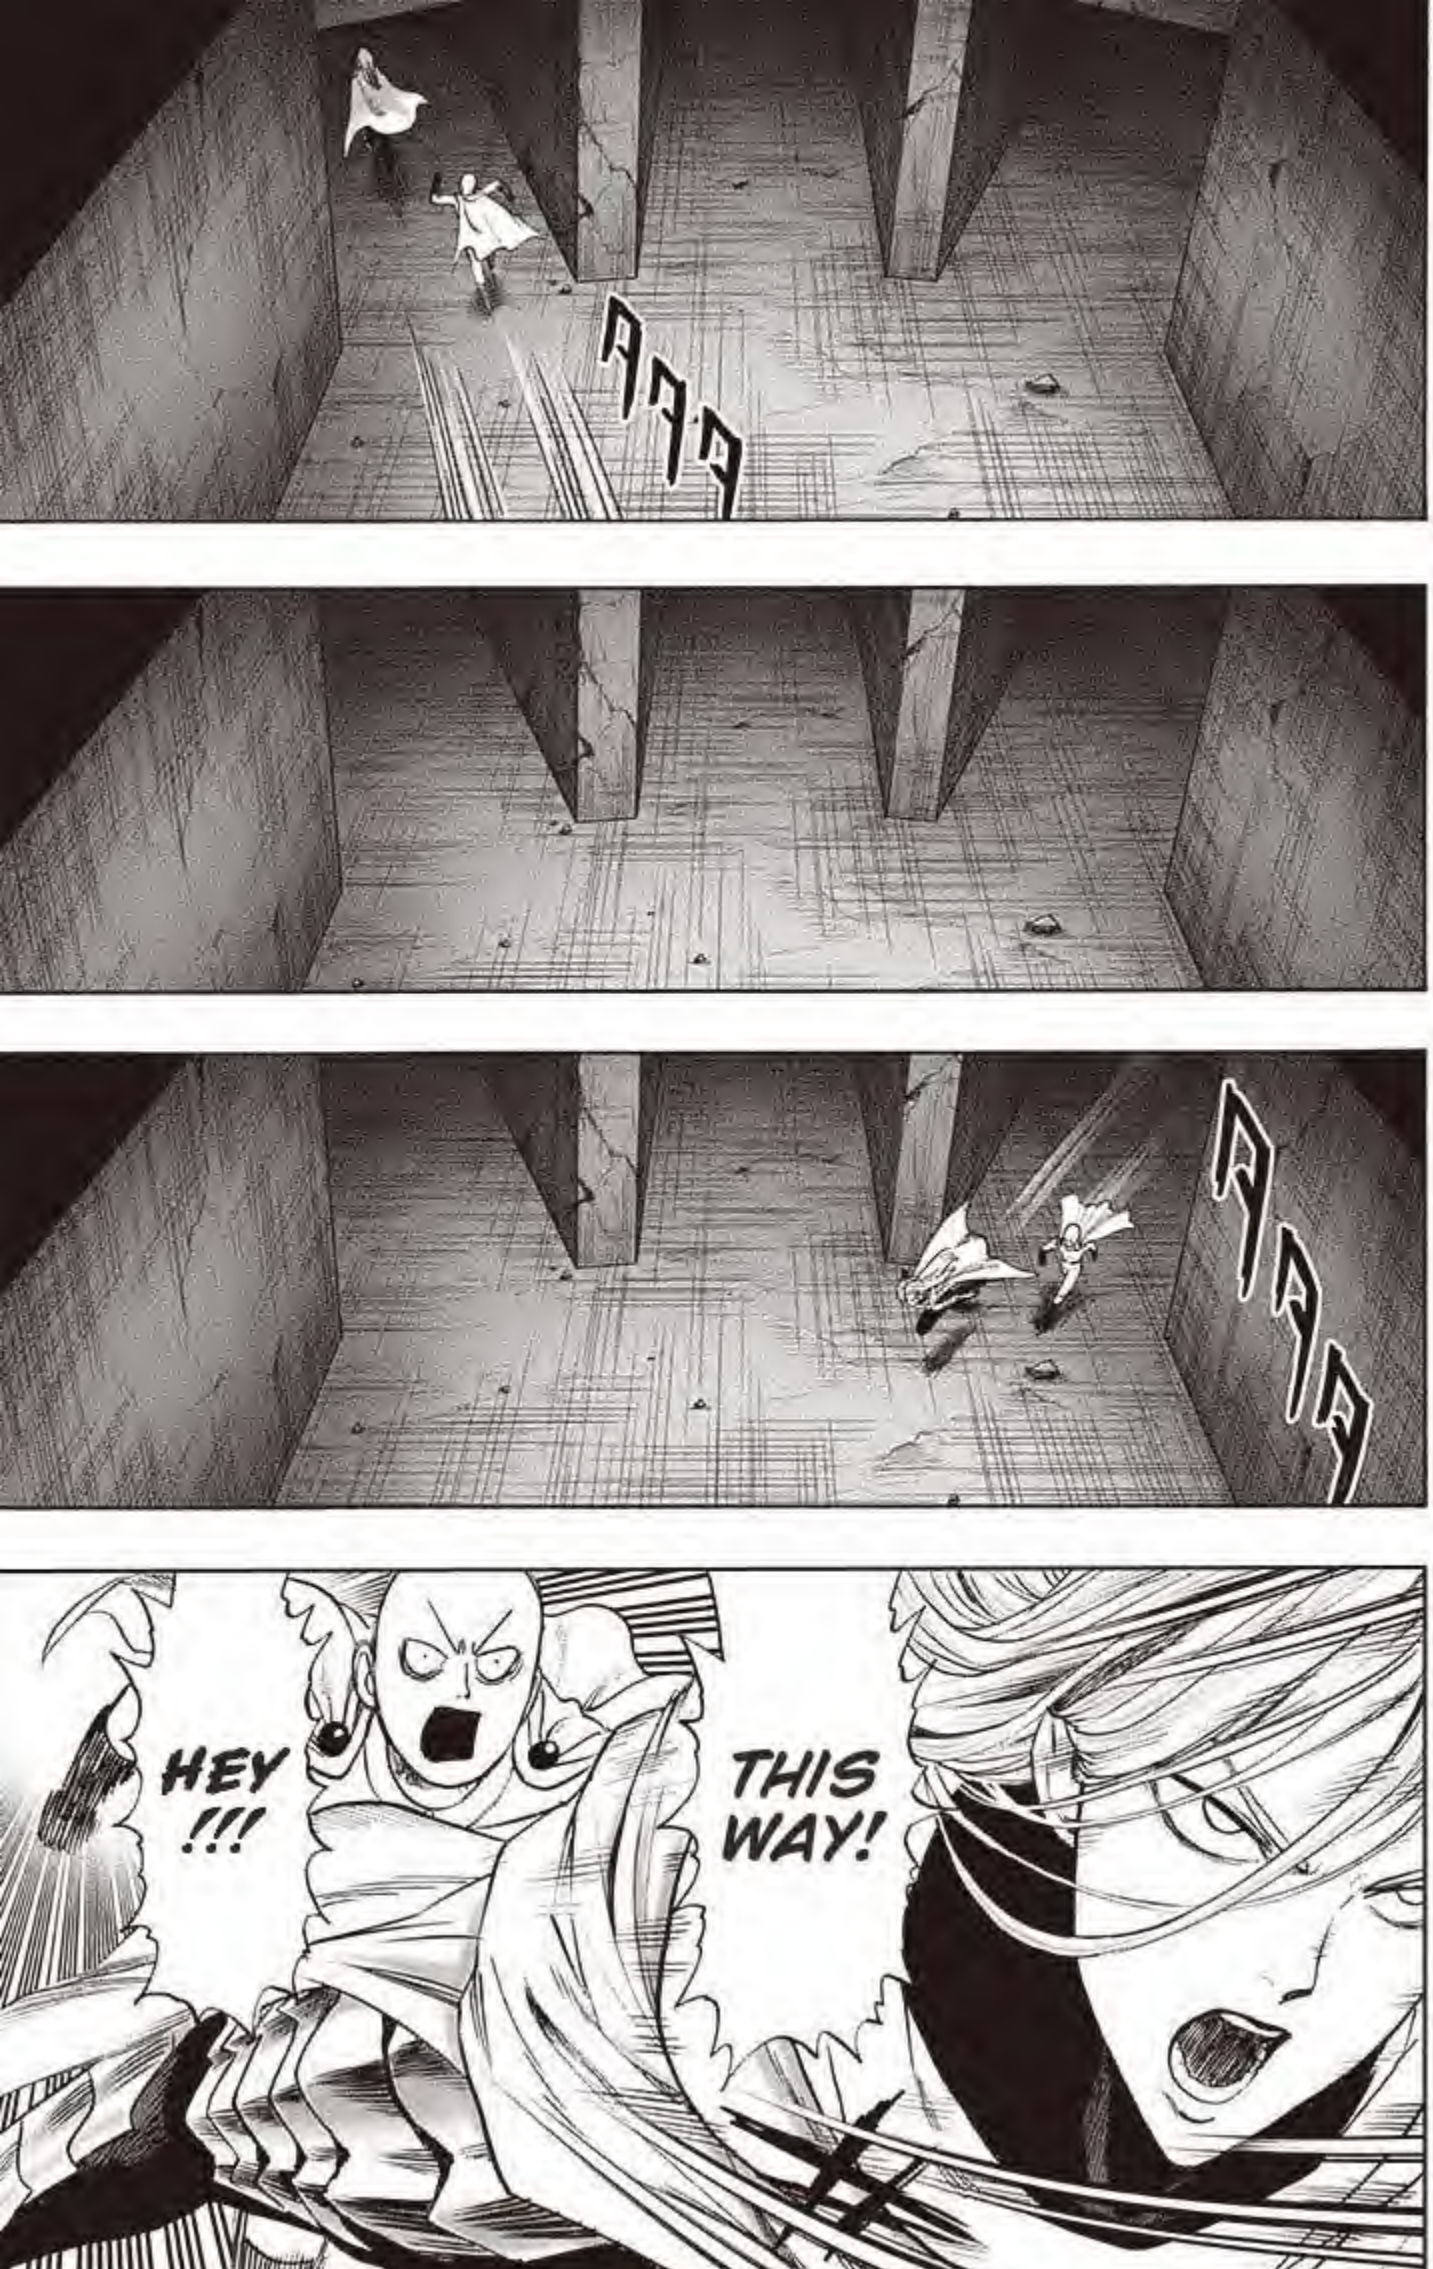
THE REAL PROBLEM IS LEVEL "DRAGON"

Homeless Emperor
Uses mysterious light energy that creates massive explosions. Physical ability similar to that of a normal human.
Black Sperm
Can freely divide and increase in numbers. Each individual entity is self-conscious and possesses a high level of combat ability
...SUCH DIFFICULT OPPOSITION, BUT THERE'S NO TIME TO DEVISE PROPER STRATEGIES.
Gums
Driven by its limitless appetite. Devours targets with a bite force capable of crushing heavy machinery and a bottomless stomach.
Evil Natural Water
A liquid life form that reacts to negative emotions like hostility and hatred. Increases its volume by absorbing water, attacks with water cannons
Fuher Ugly
Possesses a resilient physical body and savagery. Can see through his opponents and figure out attacks they fear the most. Uses relentless violence and swearing to destroy people both mentally and physically.
Overgrown Rover
Catches prey with its speed and agility. Has a habit of submitting to more powerful beings. When angered, will spit out scorching bombs that reduce the surrounding to rubble
Monster King Orochi
The Monster Association Boss. Manipulates horns to pierce enemies. The owner of monster cells.
Gyoro Gyoro
Using a variety of psychic abilities to render opponents immobile before snuffing the lives out of them in overwhelming fashion.

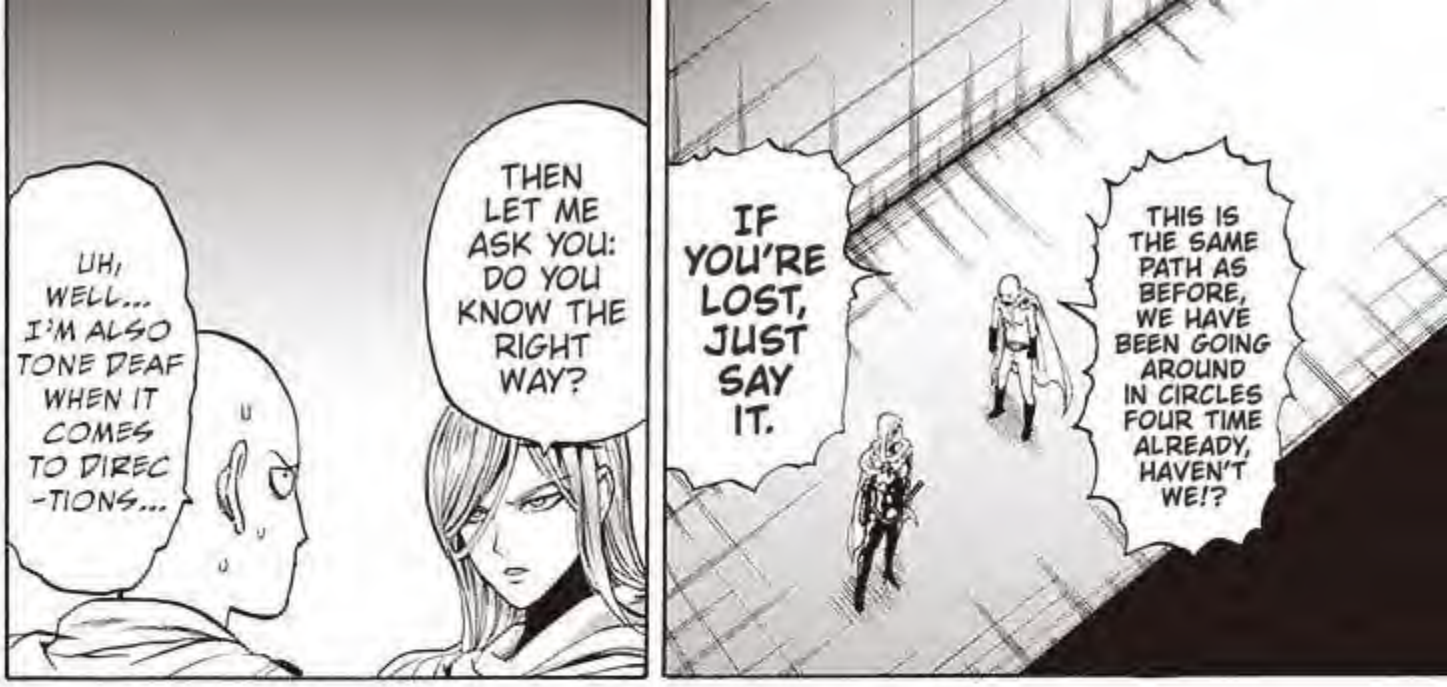
THAT SAID, IT IS POSSIBLE THAT SAITAMA SENSEI HAS ALREADY WIPED THEM OUT...

タタタタタタ

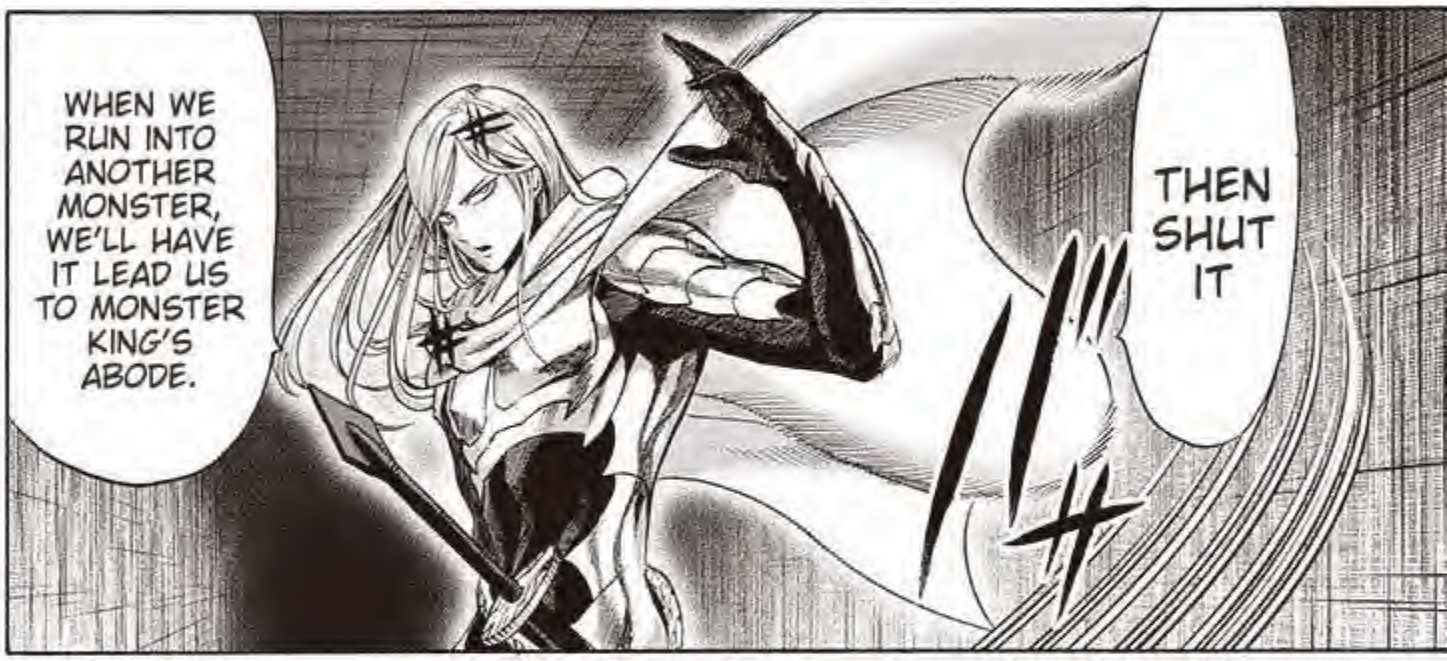
THIS WAY!



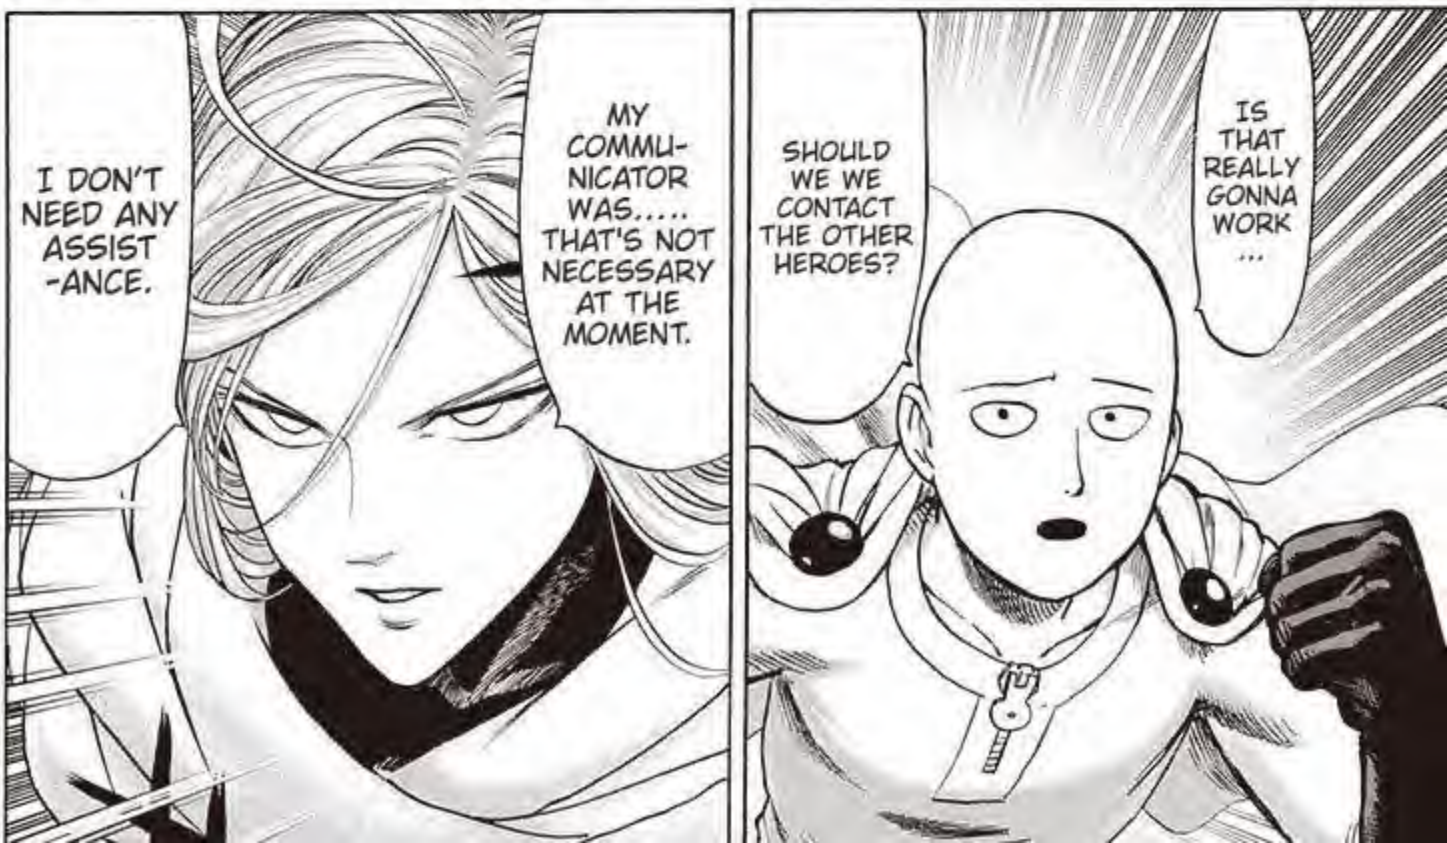
HEY !!!
THIS WAY!



THIS IS THE SAME PATH AS BEFORE, WE HAVE BEEN GOING AROUND IN CIRCLES FOUR TIME ALREADY, HAVEN'T WE!?
IF YOU'RE LOST, JUST SAY IT.
THEN LET ME ASK YOU: DO YOU KNOW THE RIGHT WAY?
UH, WELL... I'M ALSO TONE DEAF WHEN IT COMES TO DIREC -TIONS...



THEN SHUT IT
WHEN WE RUN INTO ANOTHER MONSTER, WE'LL HAVE IT LEAD US TO MONSTER KING'S ABODE.



IS THAT REALLY GONNA WORK ...
SHOULD WE WE CONTACT THE OTHER HEROES?
MY COMMU- NICATOR WAS..... THAT'S NOT NECESSARY AT THE MOMENT.
I DON'T NEED ANY ASSIST -ANCE.

When the Hero Associ-ation was first estab-lished,

heroes were only divided into 3 tiers: C-Class, B-Class and A-Class.

When assigning a class to a hero, the association took the following into consi-deration:

Actual accomp-lishment in slaying monsters.

Combat ability.

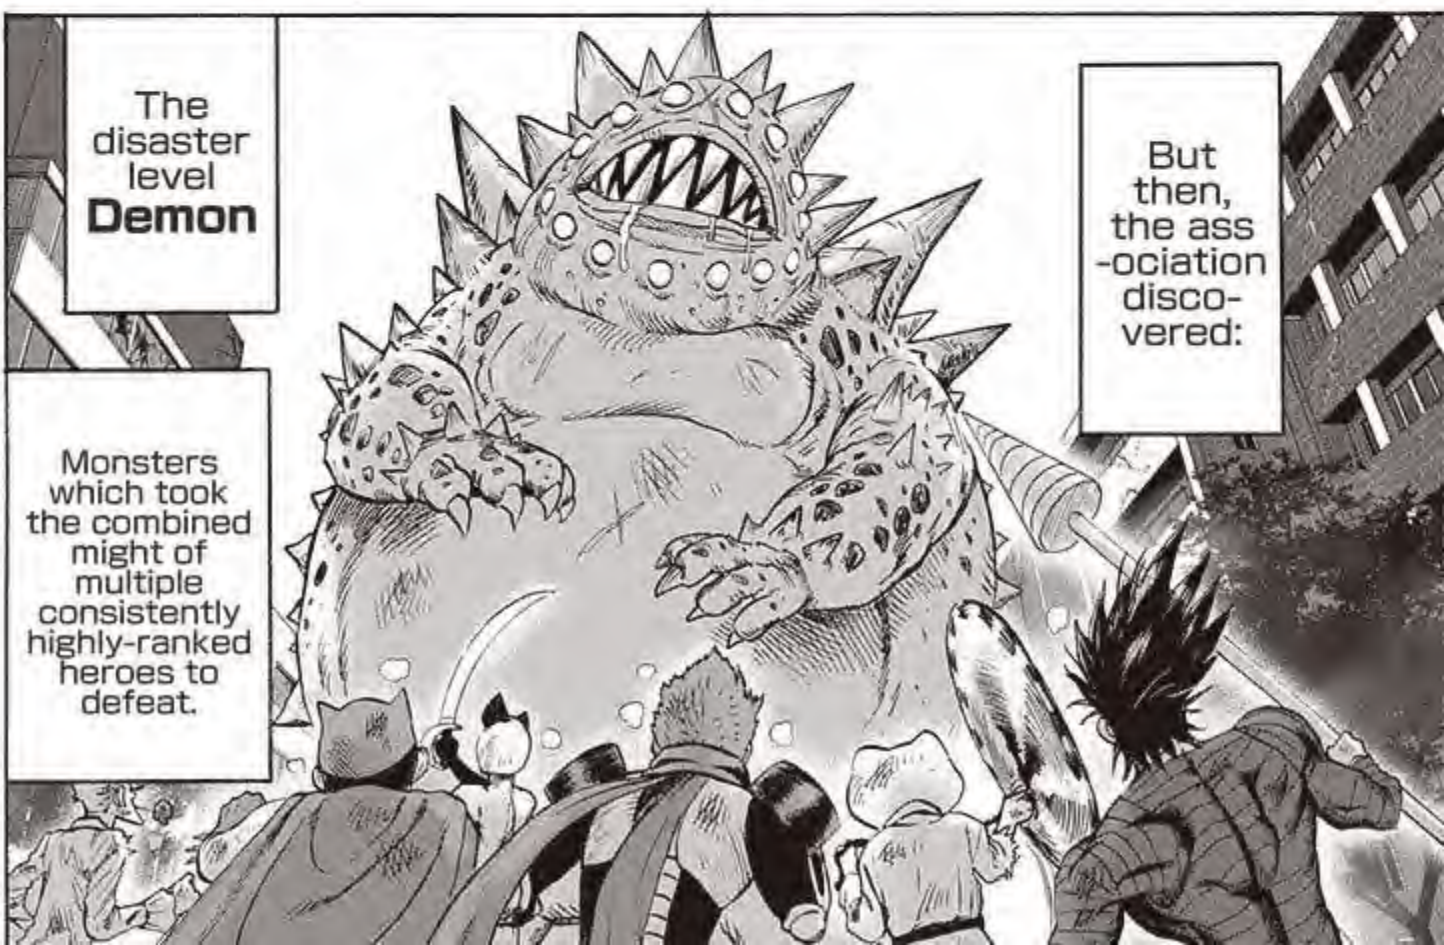
Contribution to society, such as helping others.

Popularity.

These are the main cate-gories.

For those lacking in physical abilities, it is still possible to advance to the higher ranks just by being active and playing to their strengths.
IS EVERY -ONE OKAY!
LEAVE THAT BALLOON STUCK IN THE BRANCHES TO ME!
It takes more than power to advance to A-Class, the association also included daily conduct and accomplish -ments as parts of its evaluation.

The establish -ment of this evaluation system led to a fierce battle for justice that lasted over six months, where the rankings would see significant changes almost every week.
I really want a killer move...



The disaster level **Demon**
Monsters which took the combined might of multiple consistently highly-ranked heroes to defeat.
But then, the ass -ociation disco- vered:

The exist -ence of those who can defeat them one -on-one.
Metal Bat
C-Class Rank 223 at the time
As well as

And

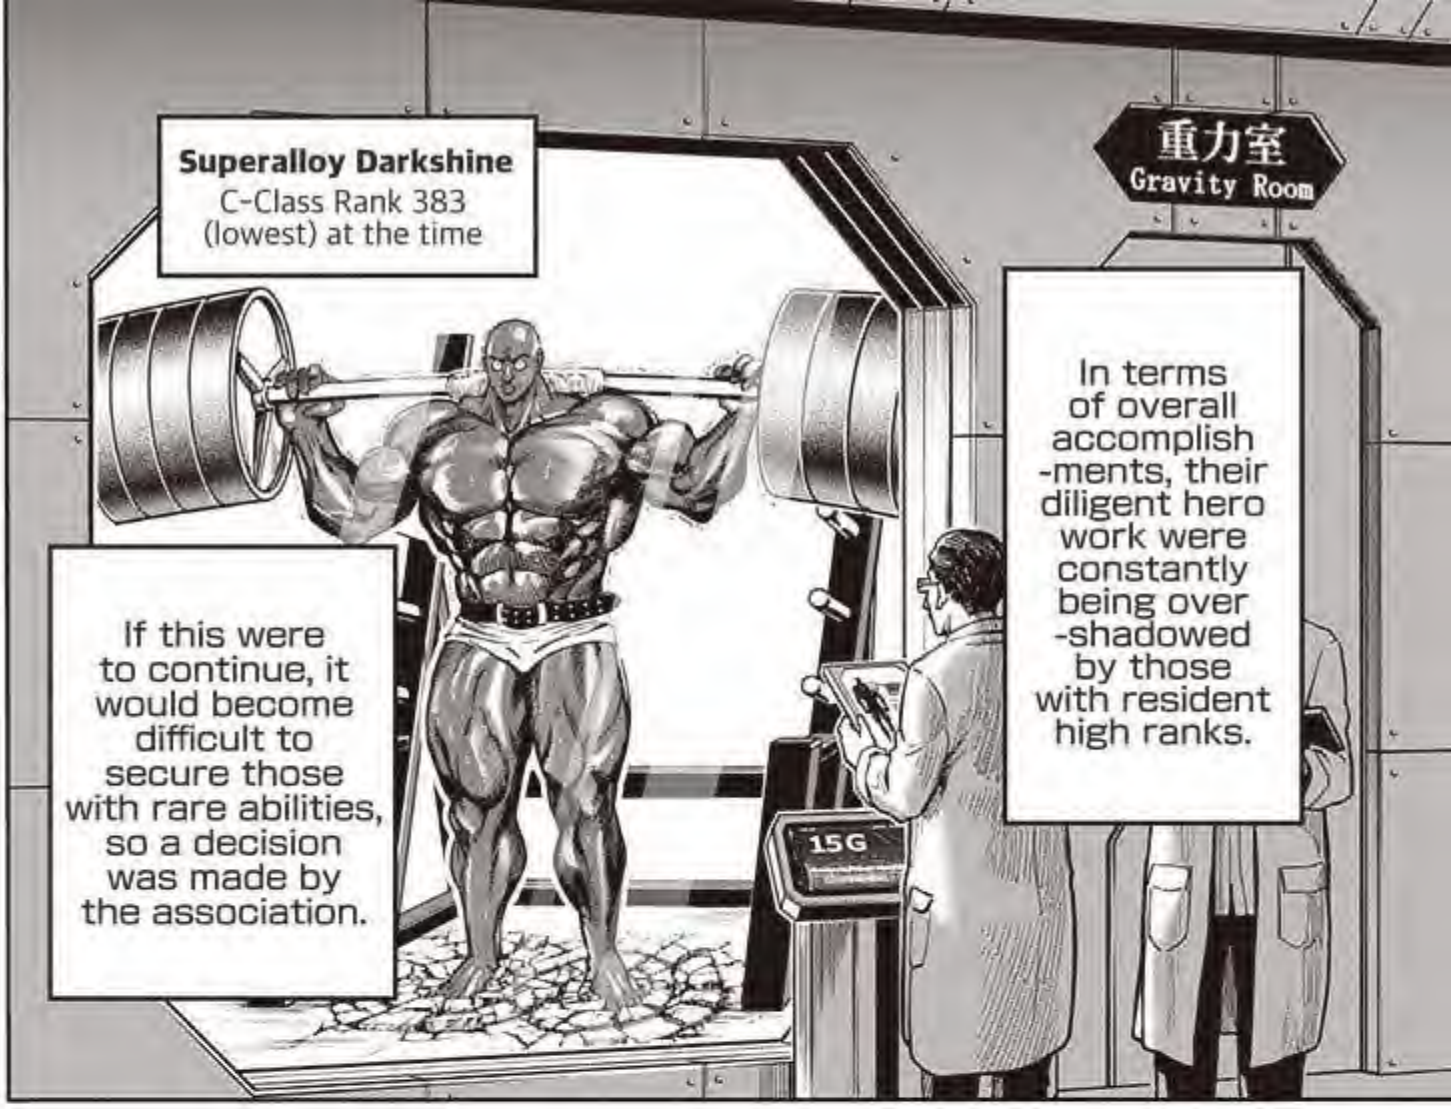
Fight

Win

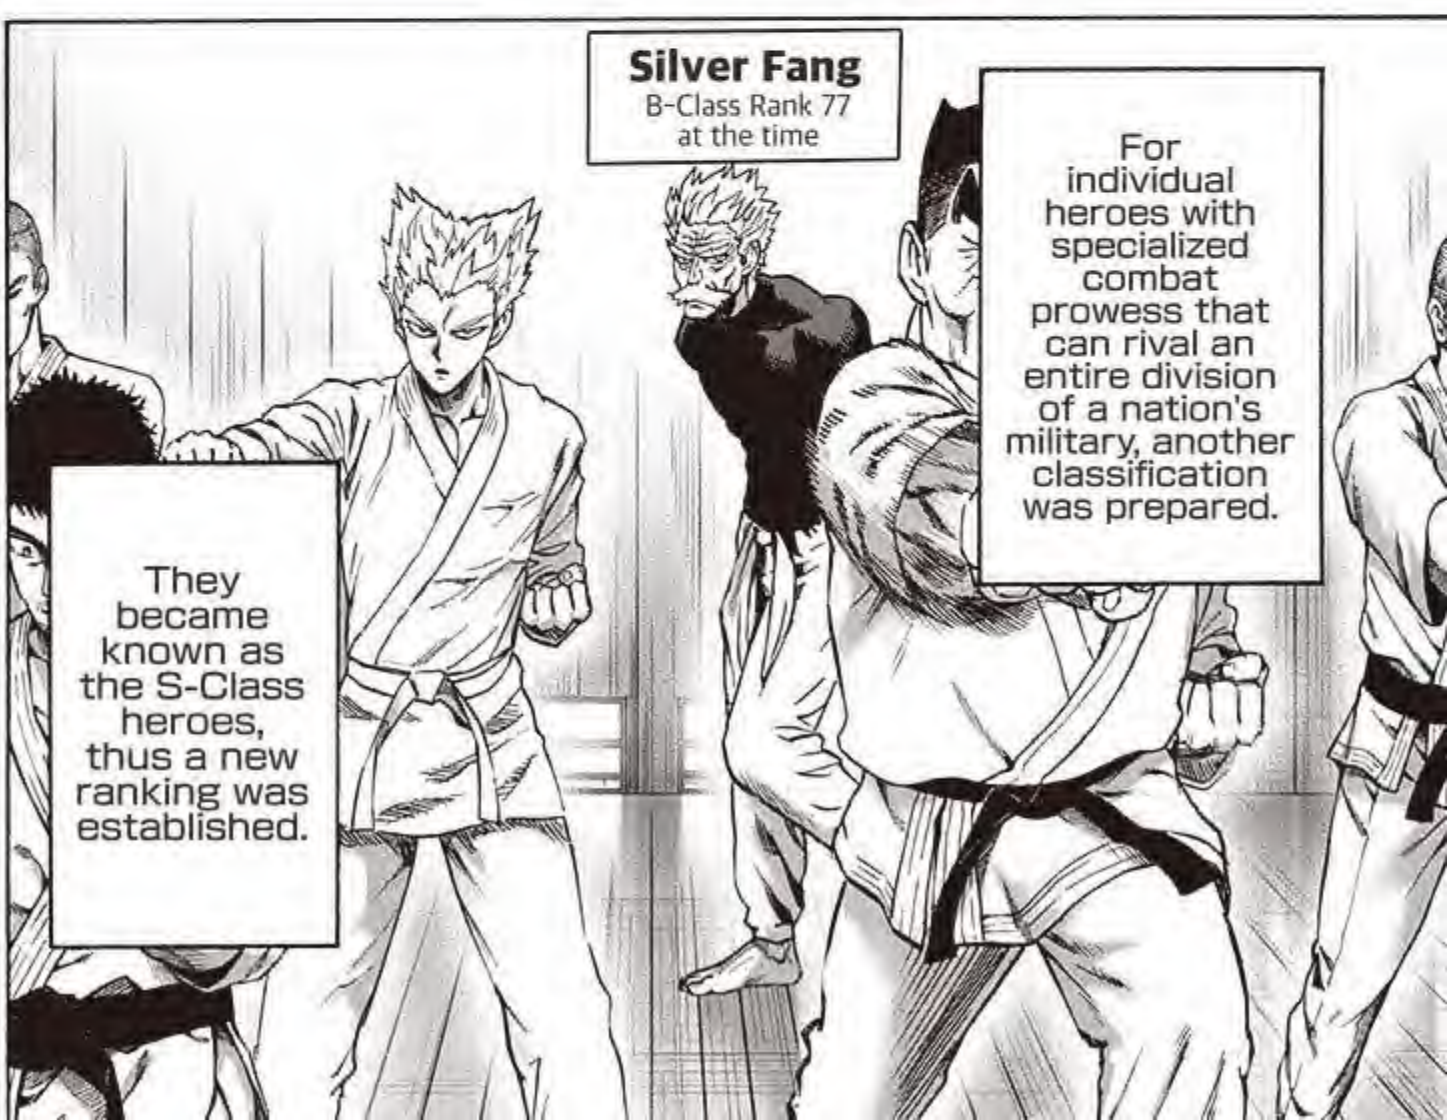
**Watchdog Man**
C-Class Rank 301
at the time

Incon-
ceivably,
they didn't
care much
about their
rankings.

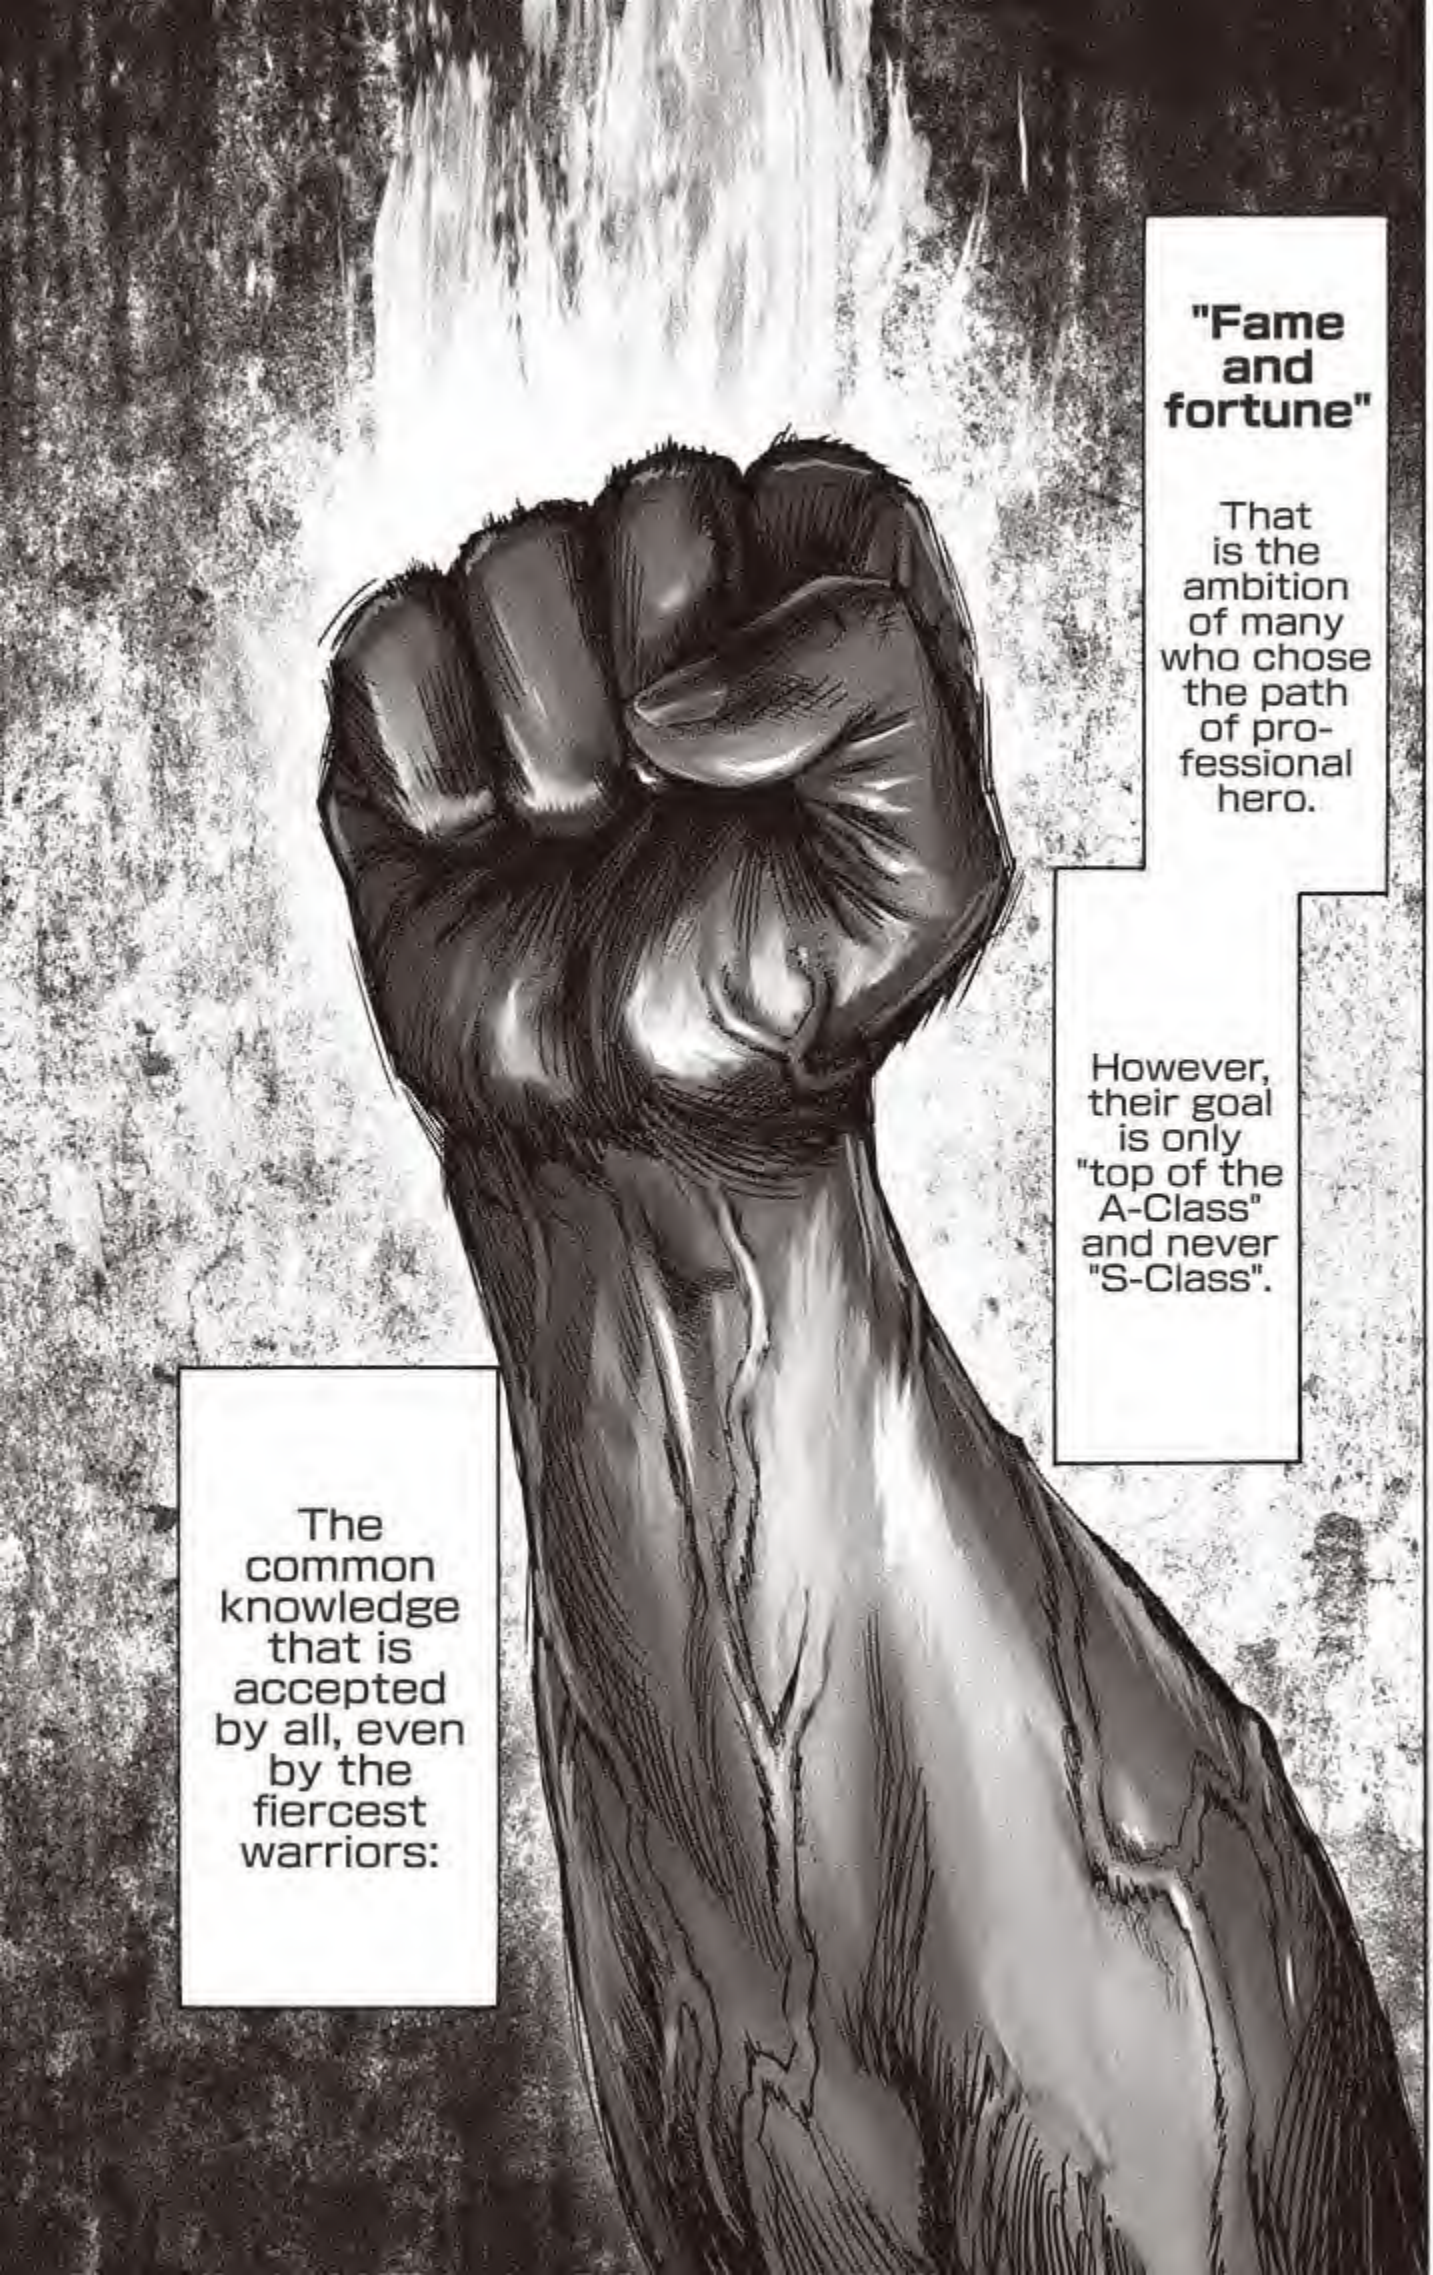
But
whenever
heroes eager
for recognition
got wiped out
after arriving
at the scene
early, they will
show up by
themselves.



Superalloy Darkshine
C-Class Rank 383
(lowest) at the time
重力室
Gravity Room
In terms of overall accomplish-ments, their diligent hero work were constantly being over-shadowed by those with resident high ranks.
If this were to continue, it would become difficult to secure those with rare abilities, so a decision was made by the association.
15G



Silver Fang
B-Class Rank 77
at the time
For individual heroes with specialized combat prowess that can rival an entire division of a nation's military, another classification was prepared.
They became known as the S-Class heroes, thus a new ranking was established.

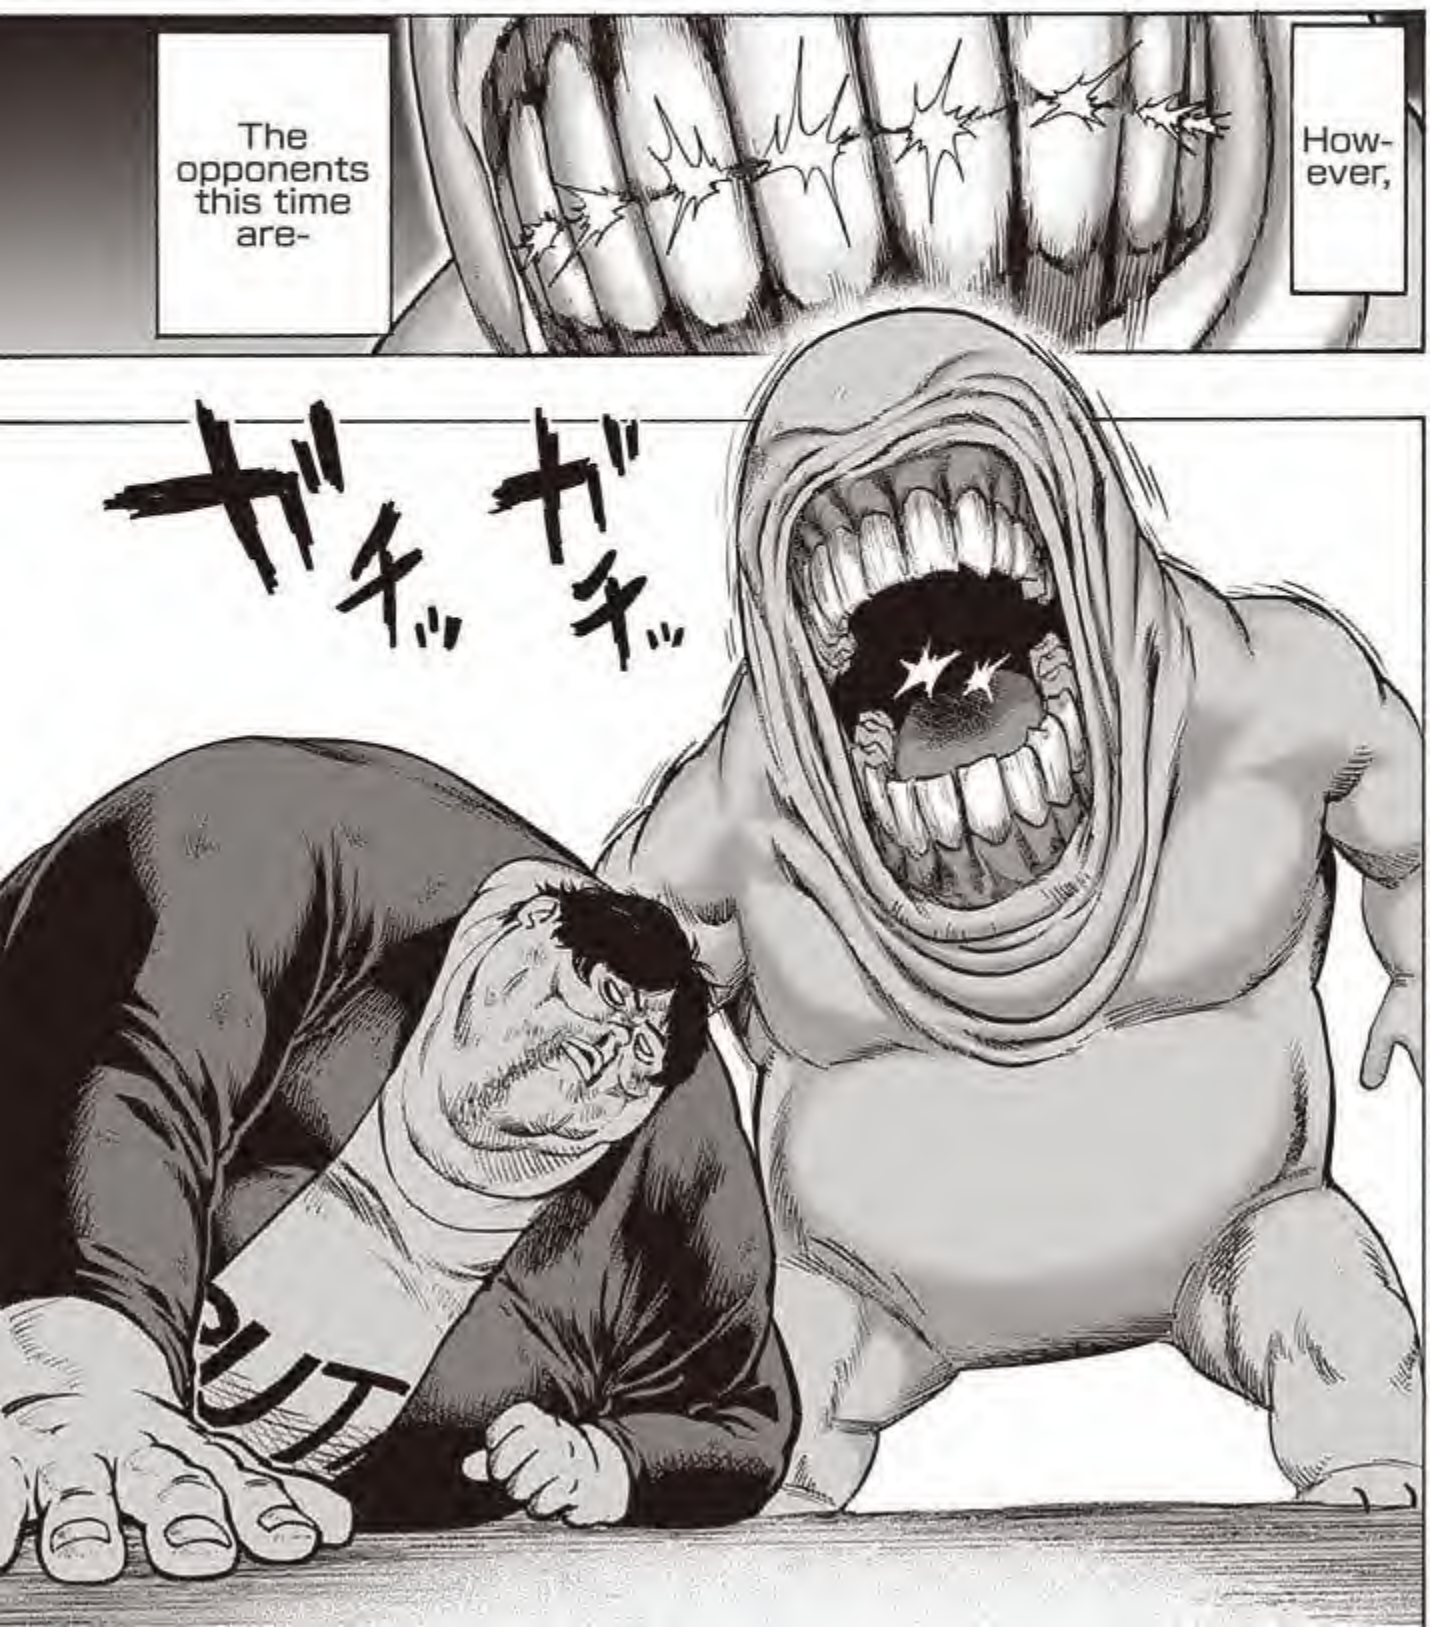


"Fame and fortune"
That is the ambition of many who chose the path of pro-fessional hero.
However, their goal is only "top of the A-Class" and never "S-Class".
The common knowledge that is accepted by all, even by the fiercest warriors:

T/N: ALTERNATIVELY, "THE S-CLASS IS BROKEN."

This is an expression of awe from those who once had the goal to become the strongest.

And the acknowledgement of the existence of beings that will not waver no matter what stands in their way.



# Important message for reddit users

Everyone's favorite company VIZ, who brought us great translations such as "Centichoro"; "King The Ripper"; "Crapola! This game  is doody!" and most recently "Black Spermatozoon", has been going around requesting takedowns of manga chapters from various big series's subreddits, including r/OnePunchMan. This **means we can't post direct links to the chapters anymore, atleast for some time.**

So, in the meantime, we recommend joining the sub's discord where we tag everyone and provide a link as soon as the chapters come out, for both the RAWs and translations.

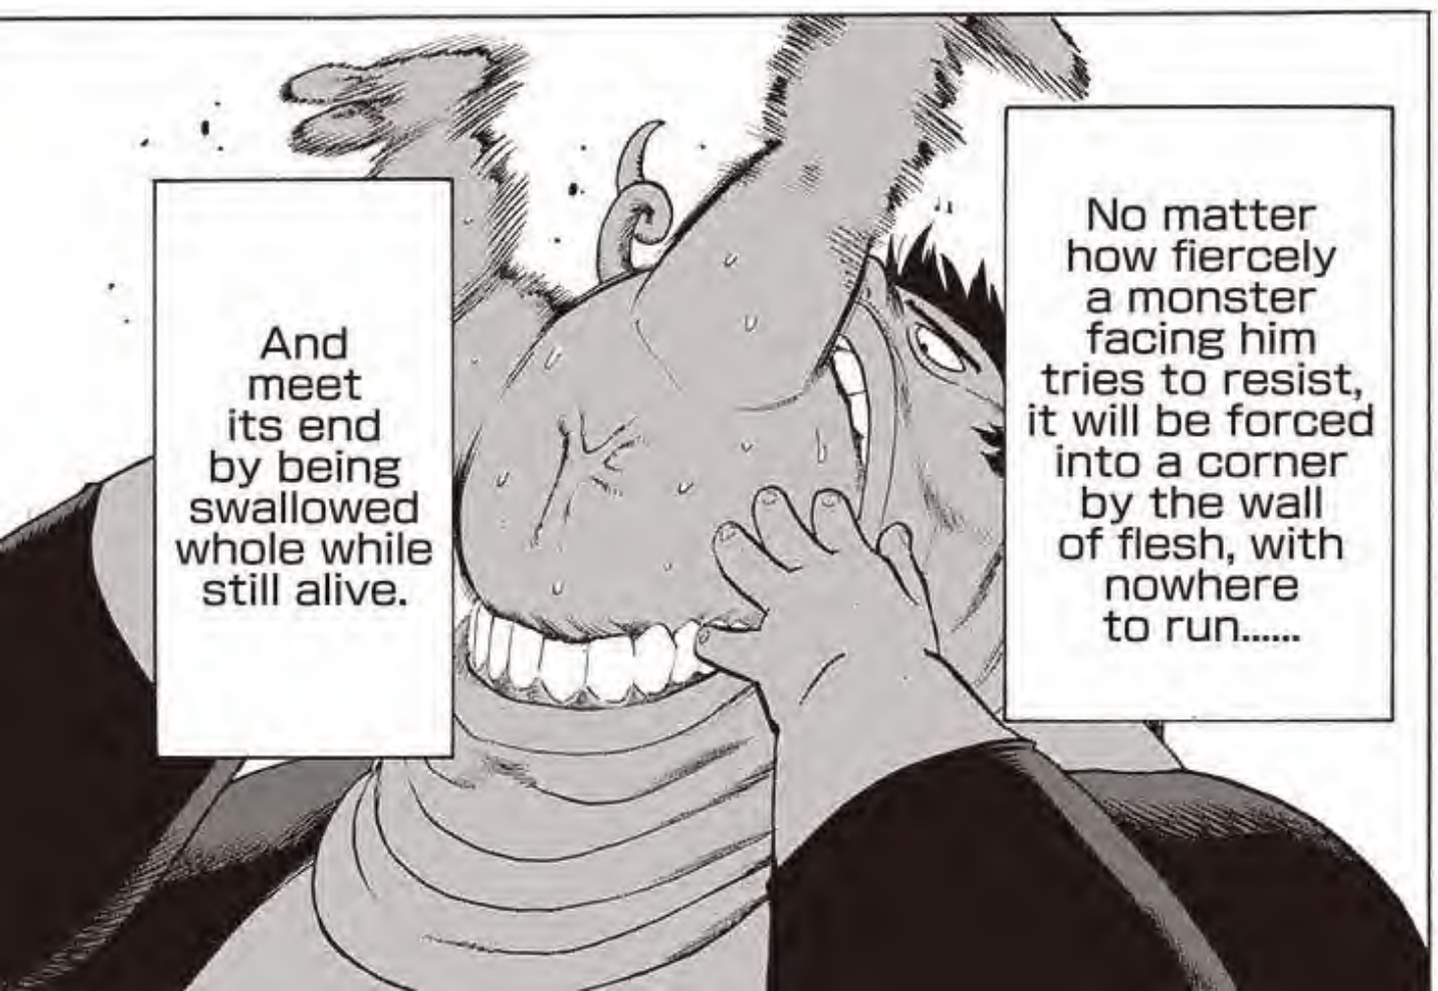
The man is called a living legend in the world of the obese, "Pig God"
Consuming the food portions of one hundred people in one day.

Blades and firearms cannot reach his organs or damage them.
In case of injuries, the natural healing properties of the energy in the fat will make him recover immediately.
The thick layer of fat under -neath his skin is capable of absorbing impacts of any kind.

After years of consuming all kinds of animals, plants and monsters, his body has developed resistance against toxins. It is a body without blind spots.



No matter how fiercely a monster facing him tries to resist, it will be forced into a corner by the wall of flesh, with nowhere to run.....
And meet its end by being swallowed whole while still alive.

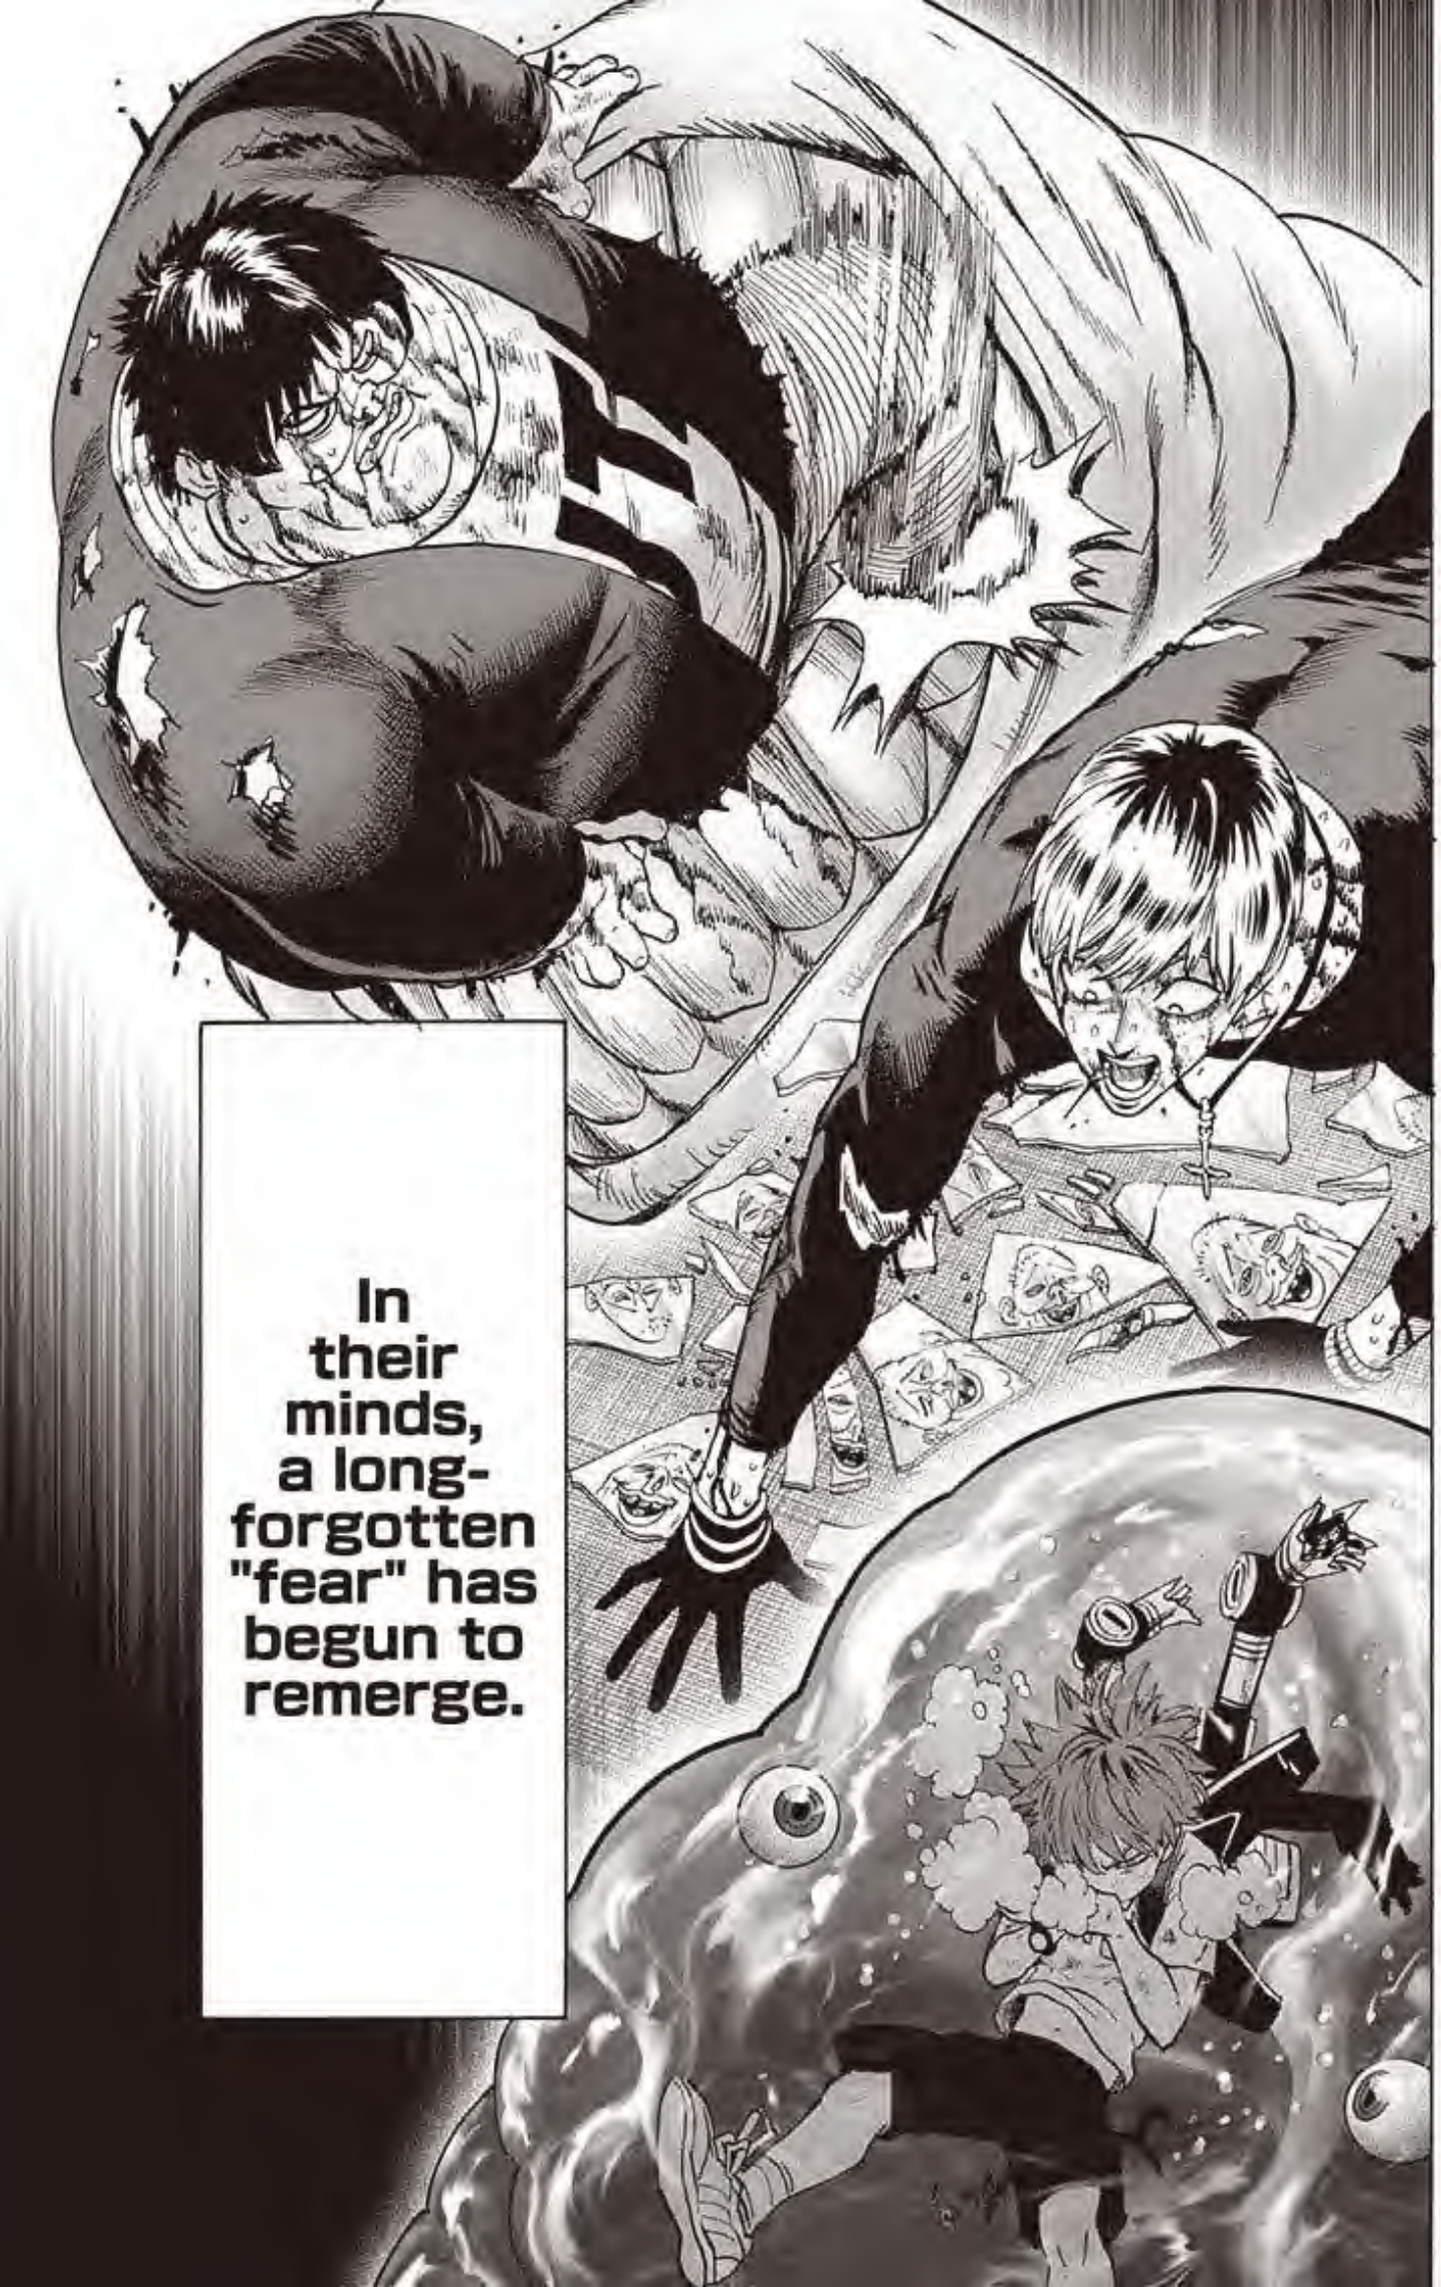
These top heroes are only consi-dered monsters in human society.
On this day, The Hero Association came into contact with a real group of monsters for the very first time.

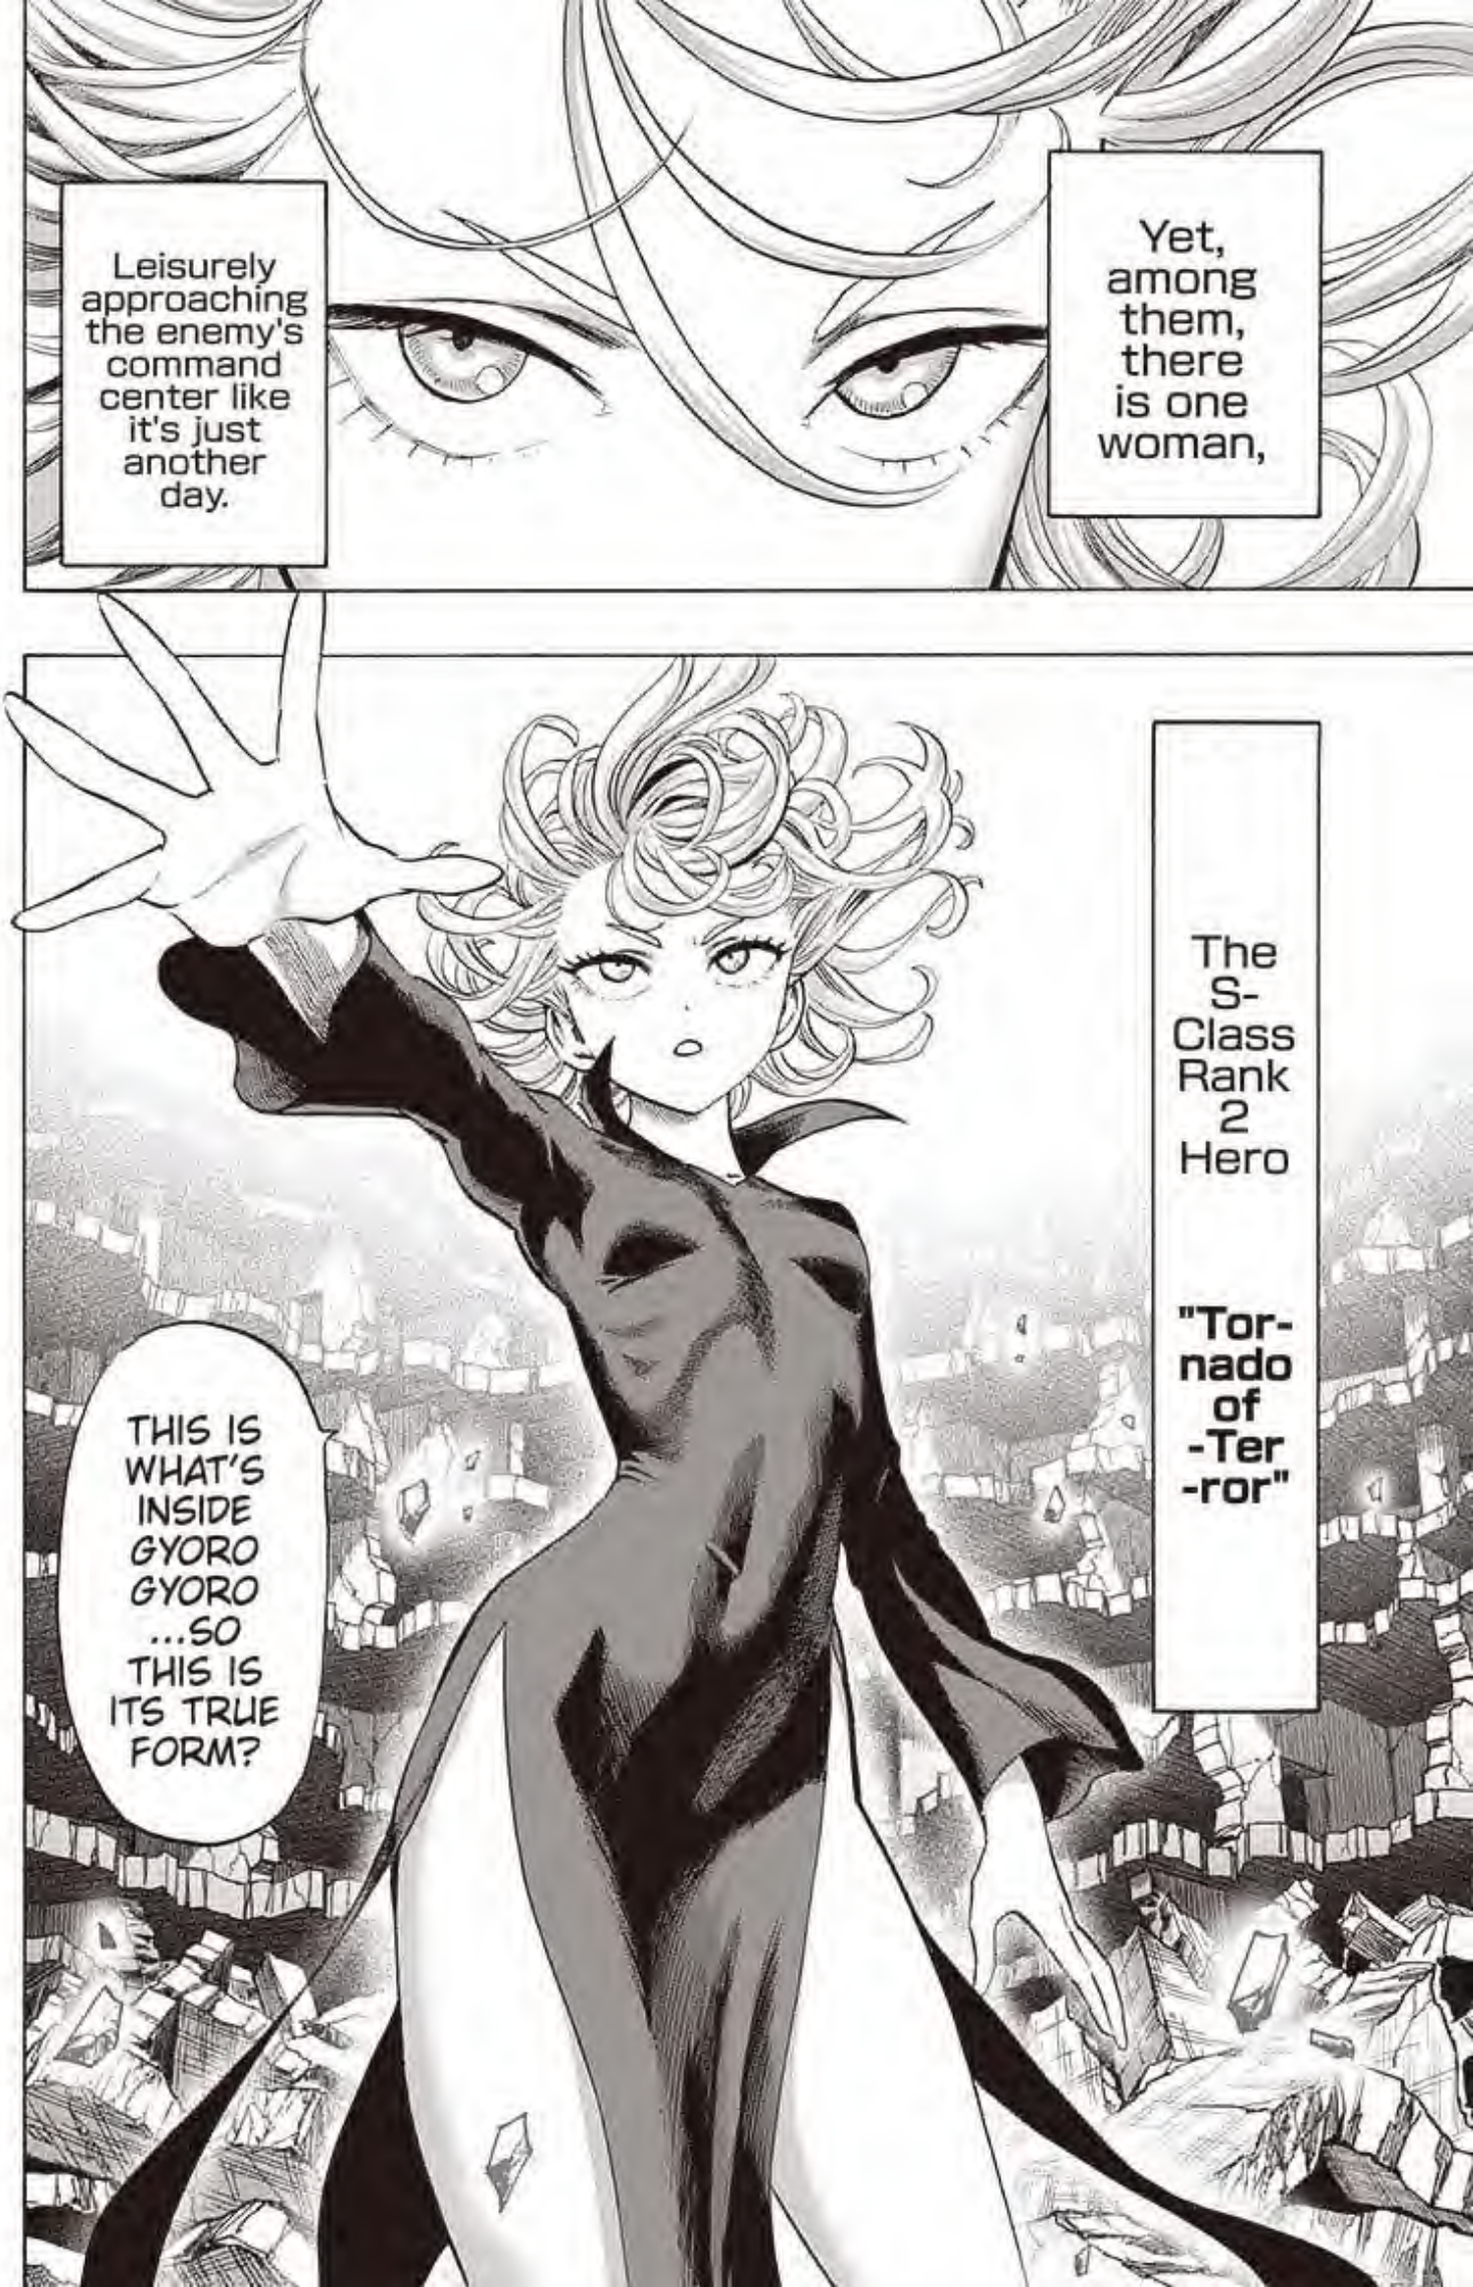
Being prepared to face death

That is not supposed to be their destiny
For those who have attained power beyond humans

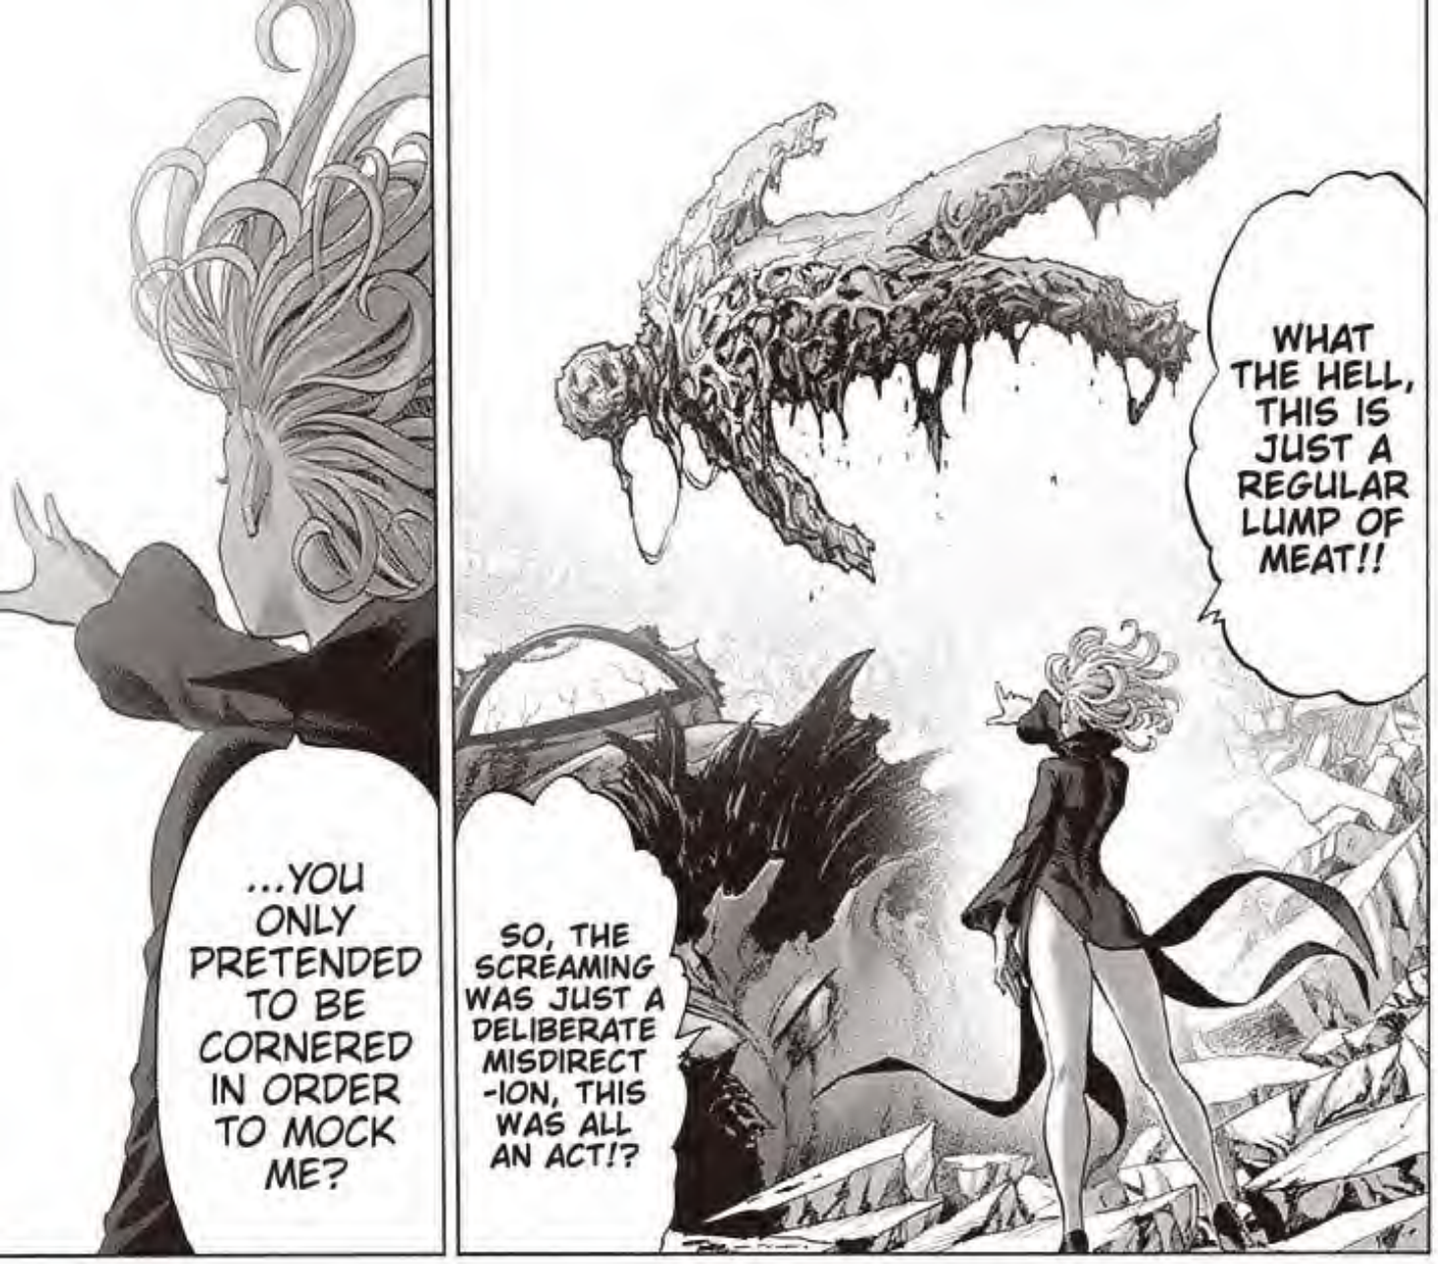
Not pre-pared to die
Today they are



In their minds, a long-forgotten "fear" has begun to remerge.



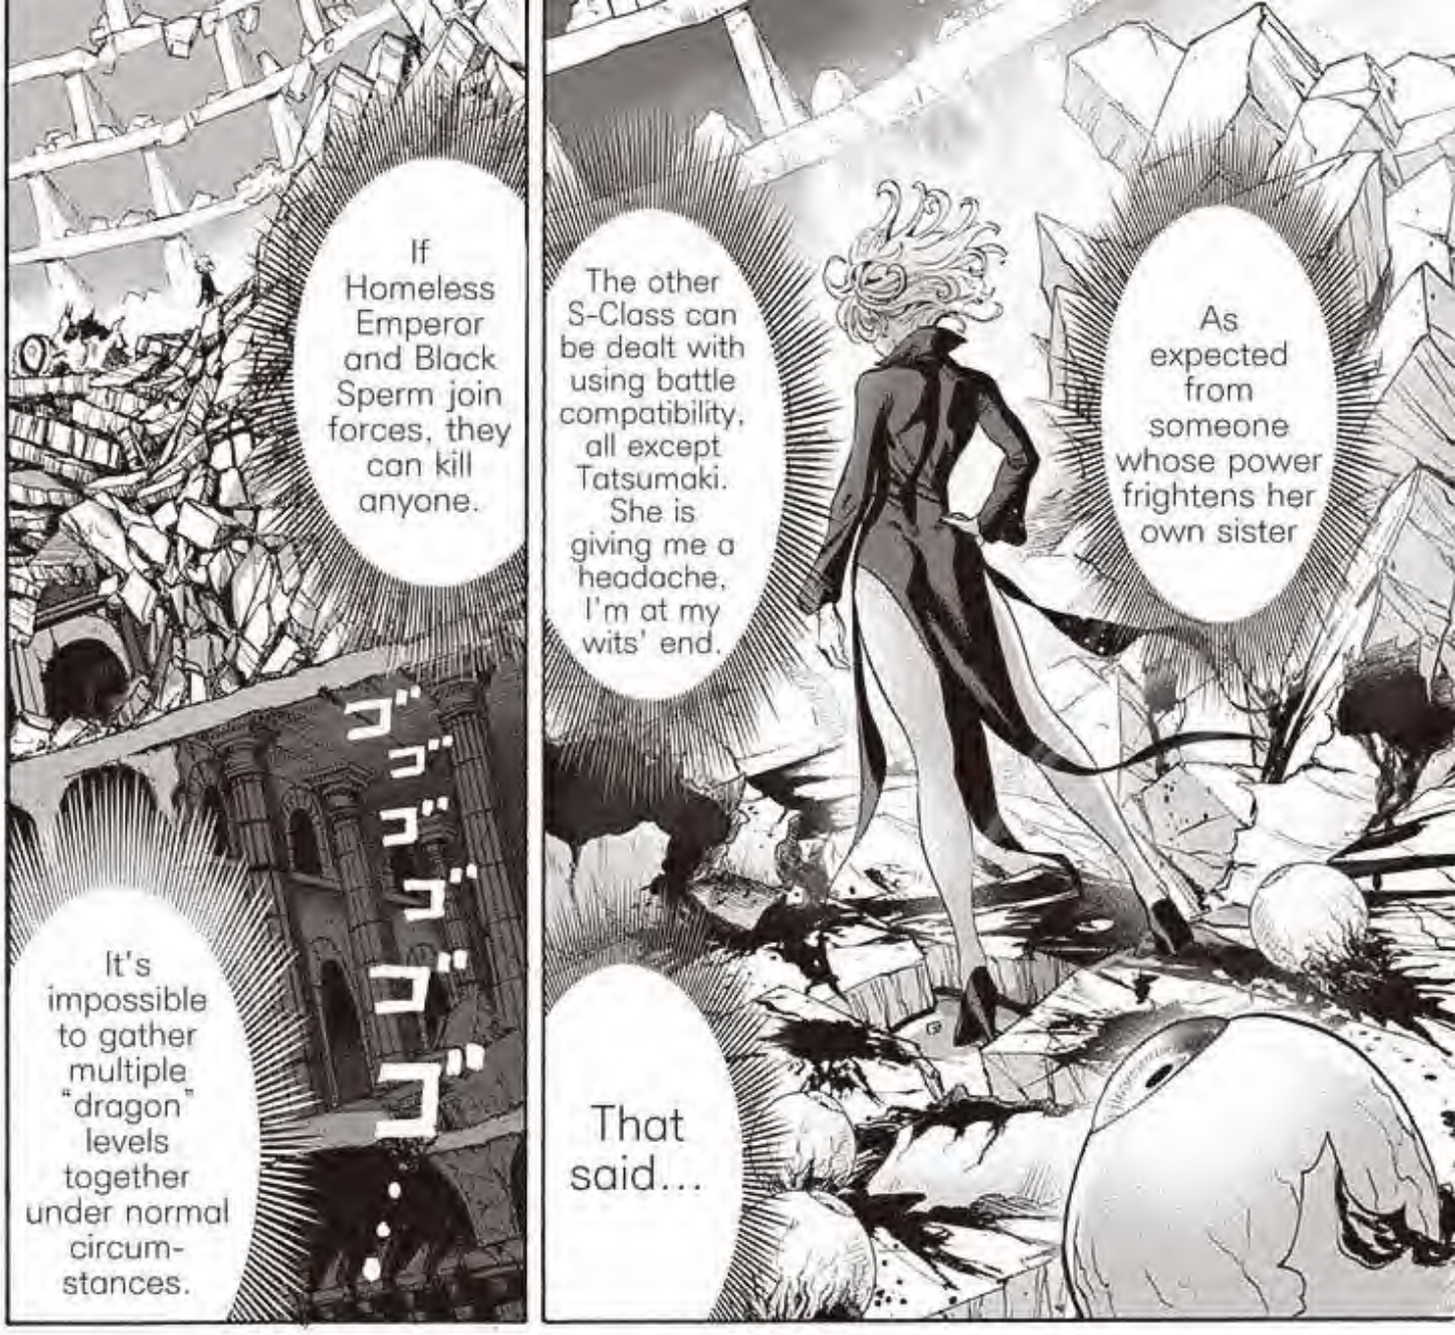
Leisurely approaching the enemy's command center like it's just another day.
Yet, among them, there is one woman,
The S-Class Rank 2 Hero
"Tor-nado of -Ter -ror"
THIS IS WHAT'S INSIDE GYORO GYORO ...SO THIS IS ITS TRUE FORM?



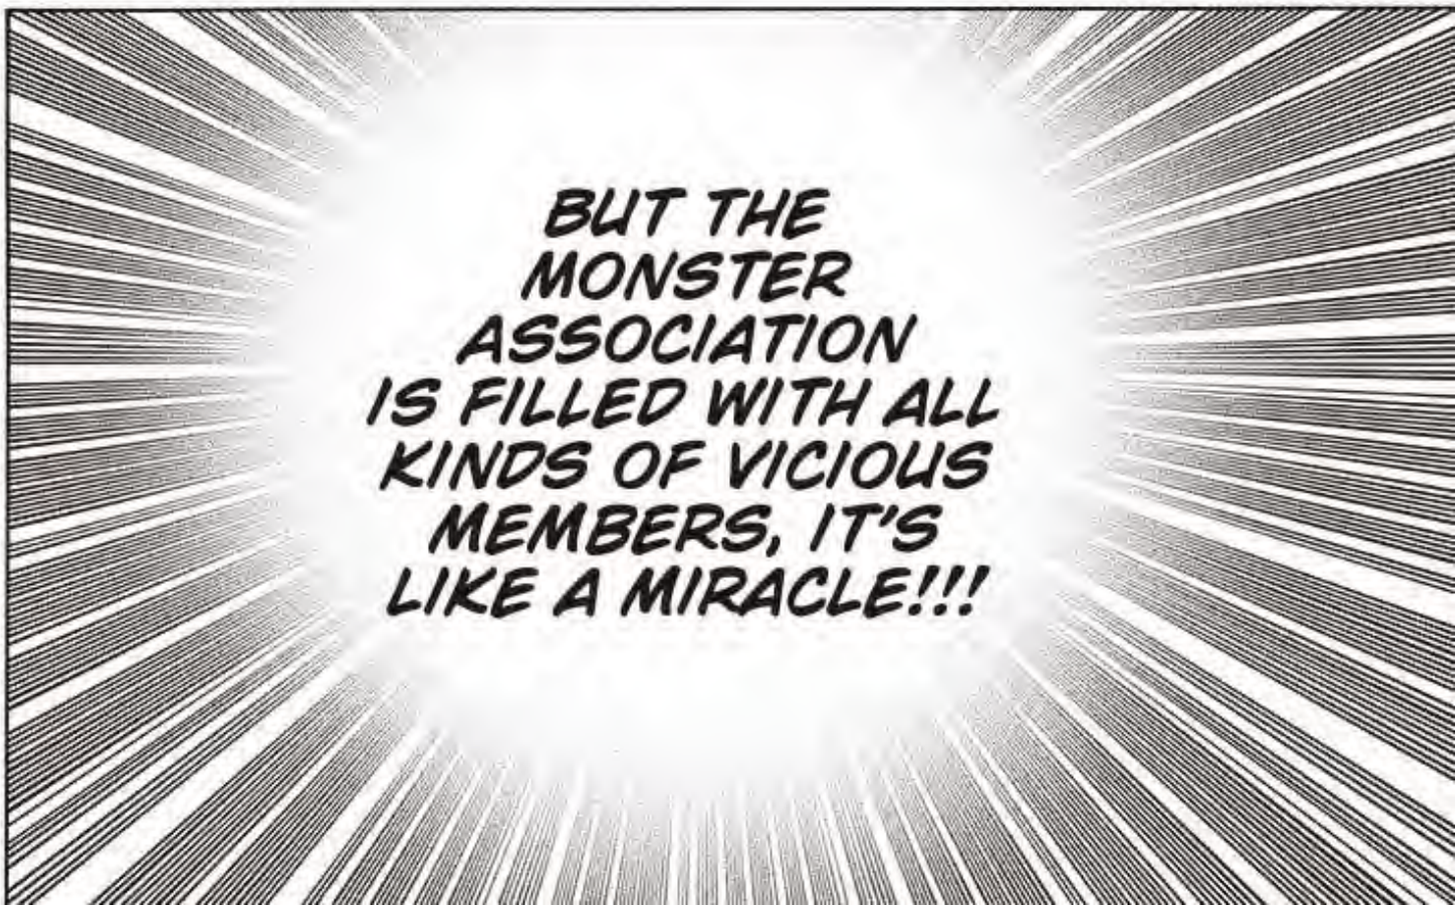
...YOU ONLY PRETENDED TO BE CORNERED IN ORDER TO MOCK ME?
SO, THE SCREAMING WAS JUST A DELIBERATE MISDIRECT -ION, THIS WAS ALL AN ACT!?
WHAT THE HELL, THIS IS JUST A REGULAR LUMP OF MEAT!!

.....
Not putting myself inside the meat puppet and controlling it was the right decision after all...
She tore apart the giant meat wall with great du -rability with her psycho-kinesis.
She even ripped out the body similar to my own size that I buried for easier control...

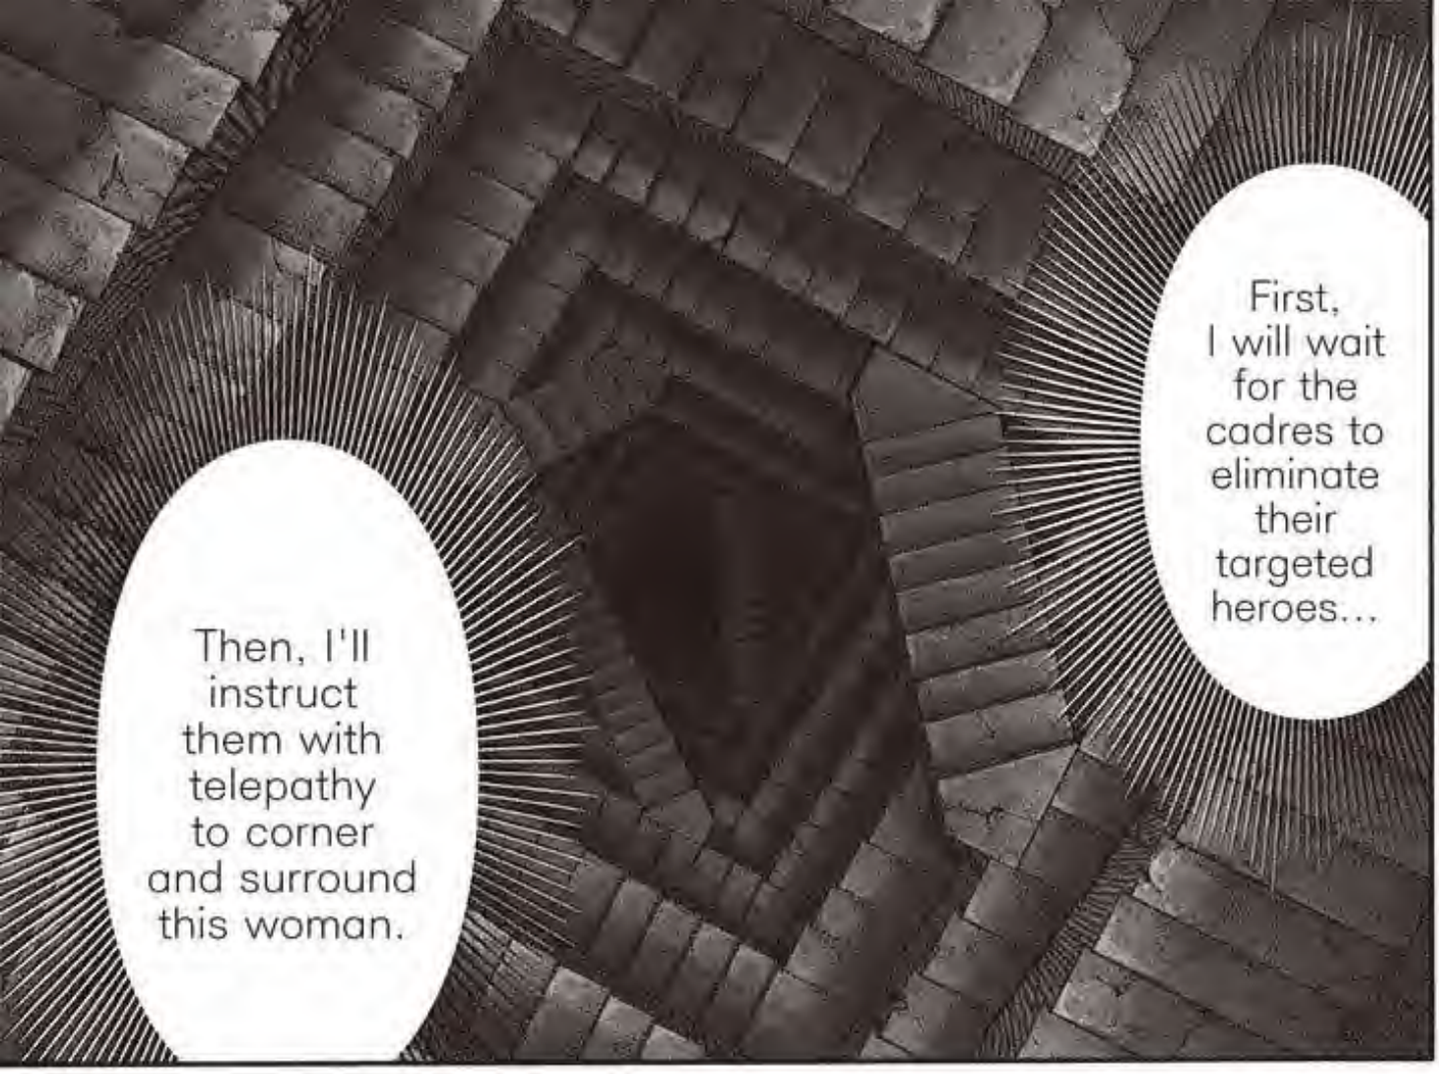
ドサッ



If Homeless Emperor and Black Sperm join forces, they can kill anyone.
ゴゴゴゴゴゴ……
It's impossible to gather multiple "dragon" levels together under normal circum-stances.
The other S-Class can be dealt with using battle compatibility, all except Tatsumaki. She is giving me a headache. I'm at my wits' end.
That said…
As expected from someone whose power frightens her own sister

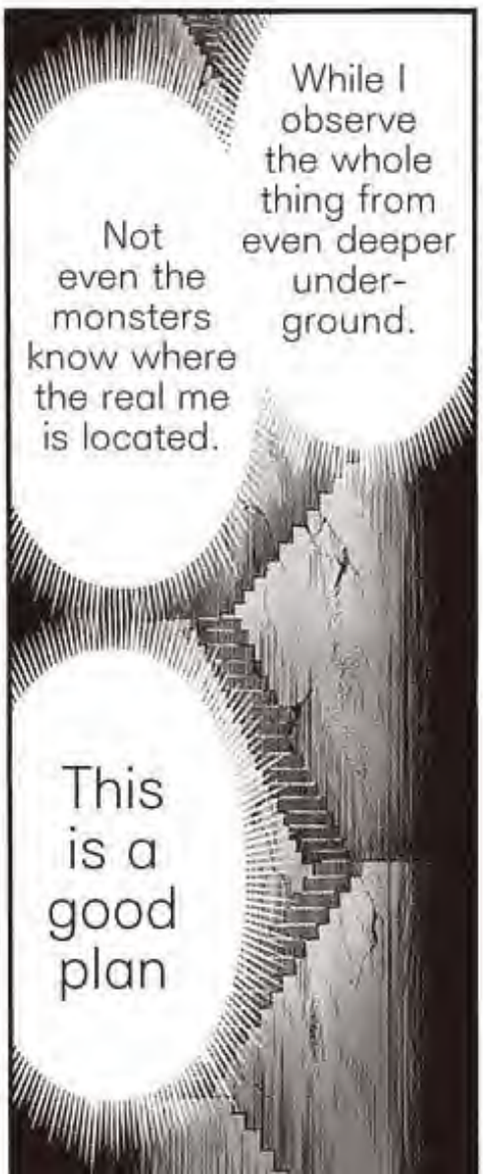


BUT THE MONSTER ASSOCIATION IS FILLED WITH ALL KINDS OF VICIOUS MEMBERS, IT'S LIKE A MIRACLE!!!



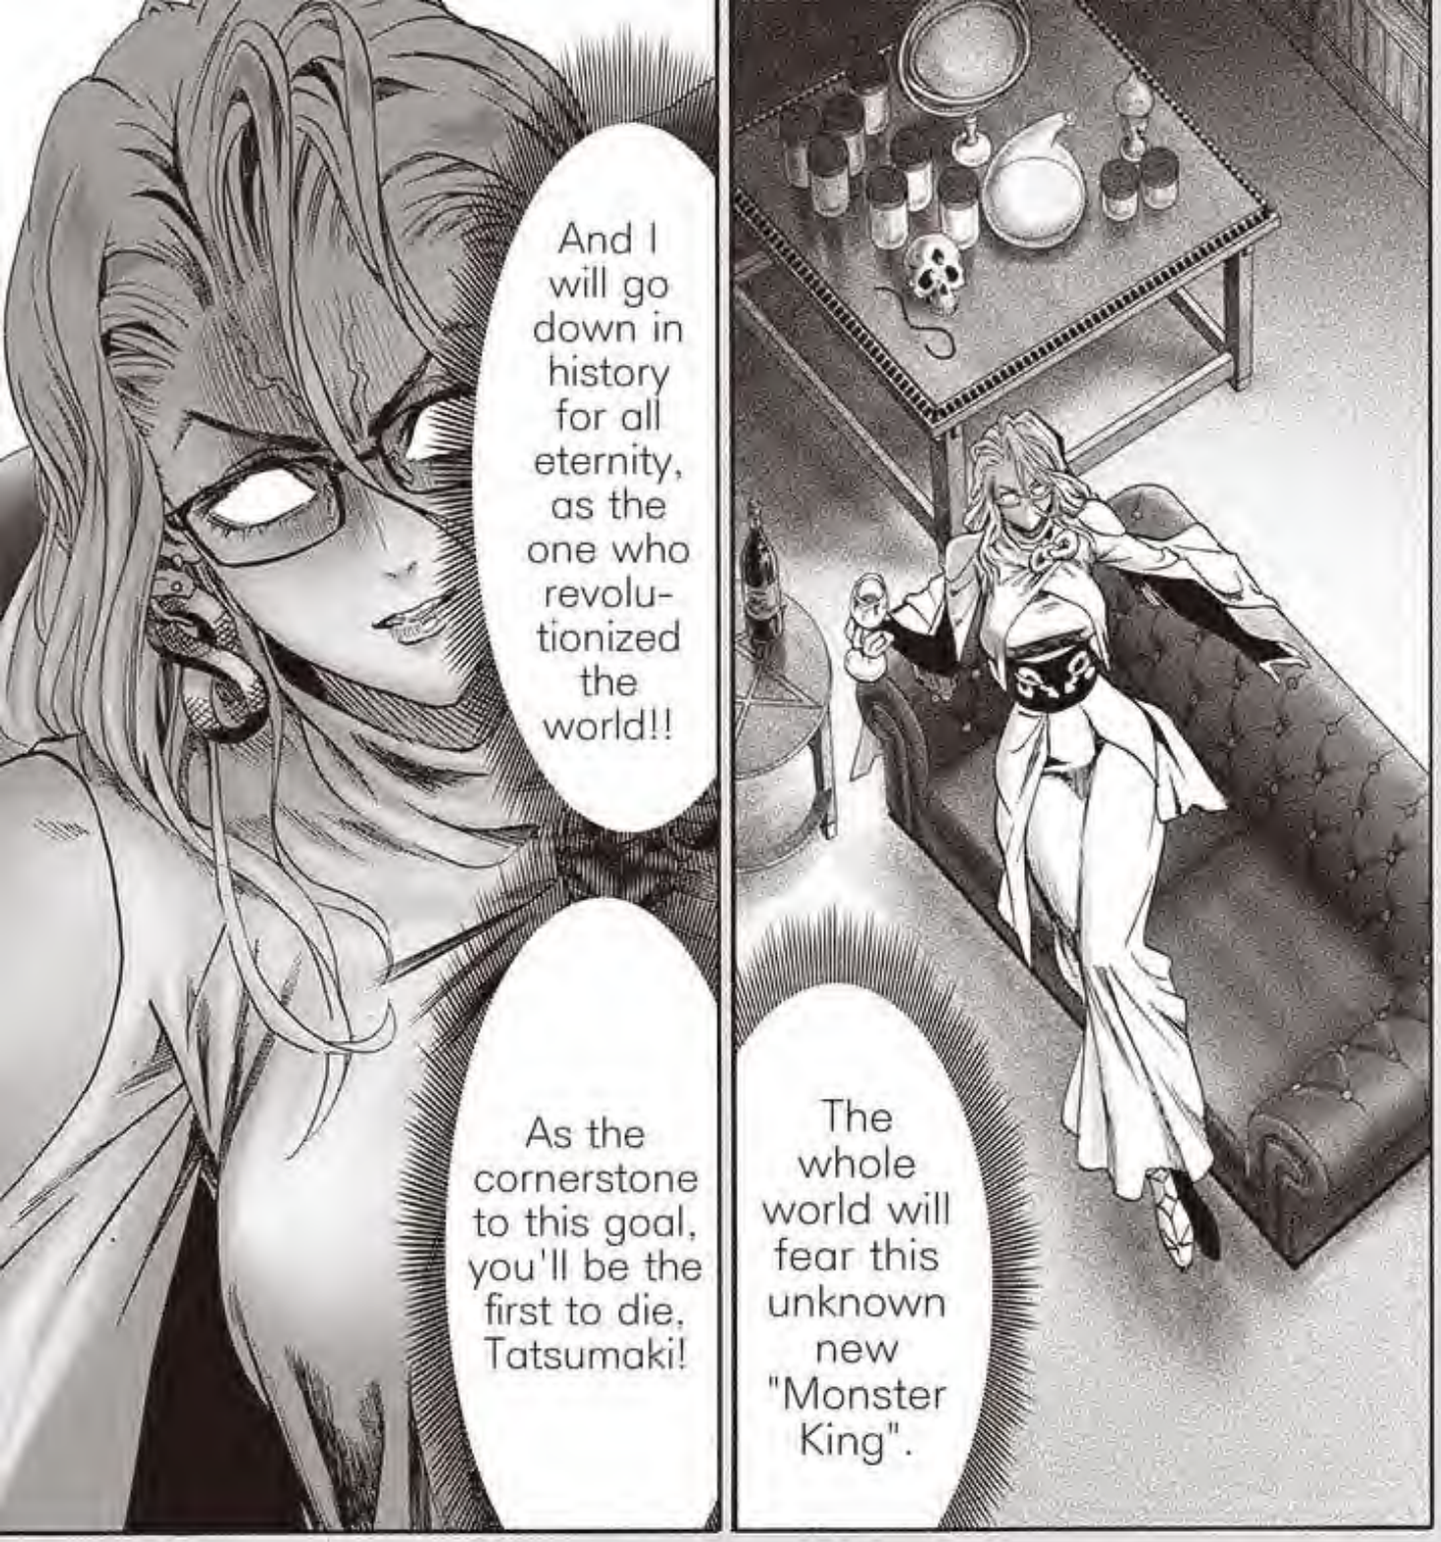
First, I will wait for the cadres to eliminate their targeted heroes...
Then, I'll instruct them with telepathy to corner and surround this woman.

I will prepare a new puppet.
ゴゴゴゴ

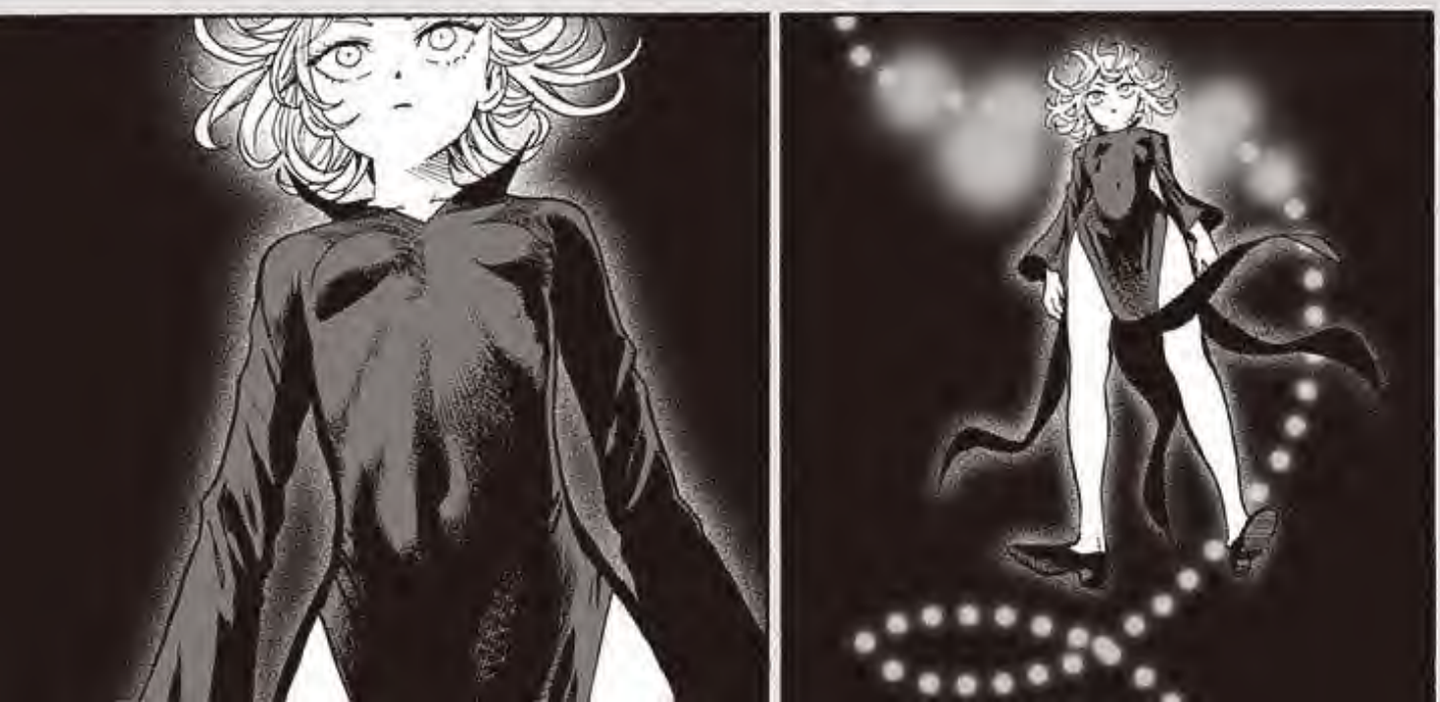


While I observe the whole thing from even deeper underground.
Not even the monsters know where the real me is located.
This is a good plan

ゴゴゴゴゴ
Because real rulers would never show them -selves in the open

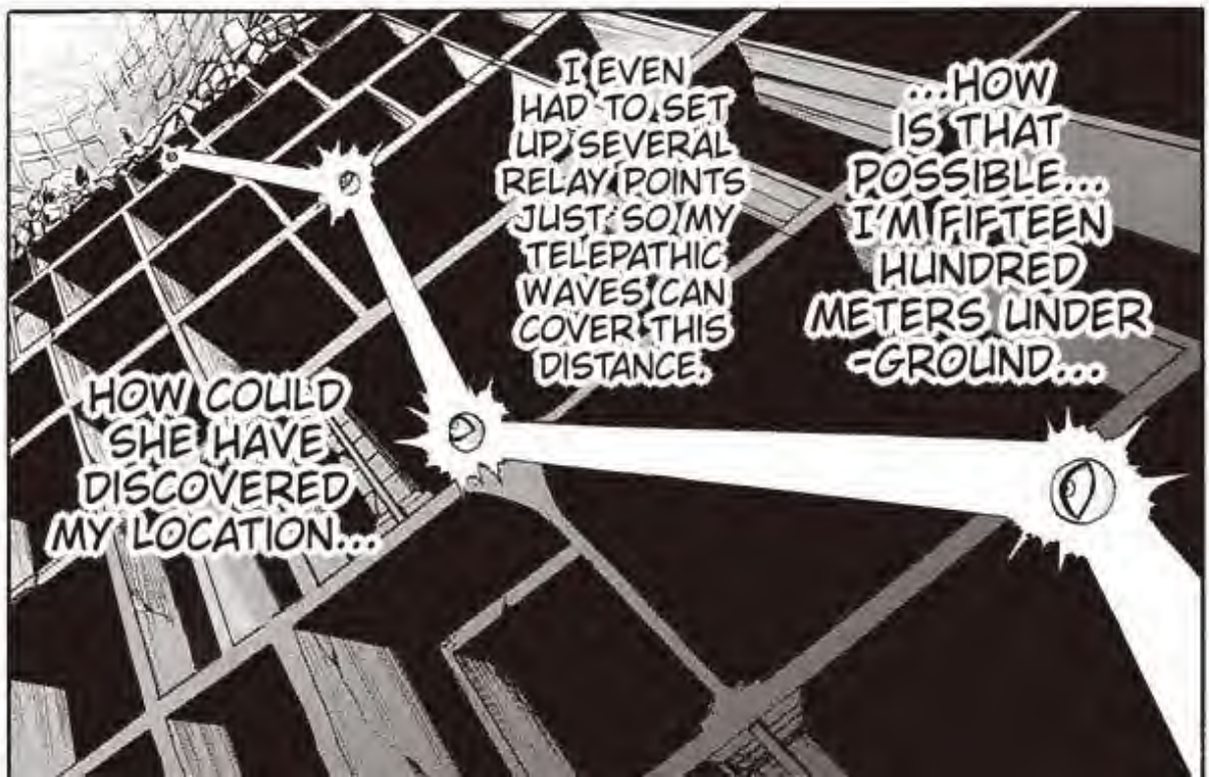


And I will go down in history for all eternity, as the one who revolutionized the world!!
As the cornerstone to this goal, you'll be the first to die, Tatsumaki!
The whole world will fear this unknown new "Monster King".



AAH, THERE YOU ARE.
FOUND YOU

MITSUKETA MEANS "I FOUND/LOCATED YOU"



HOW COULD SHE HAVE DISCOVERED MY LOCATION...
I EVEN HAD TO SET UP SEVERAL RELAY POINTS JUST SO MY TELEPATHIC WAVES CAN COVER THIS DISTANCE.
...HOW IS THAT POSSIBLE... I'M FIFTEEN HUNDRED METERS UNDER -GROUND...

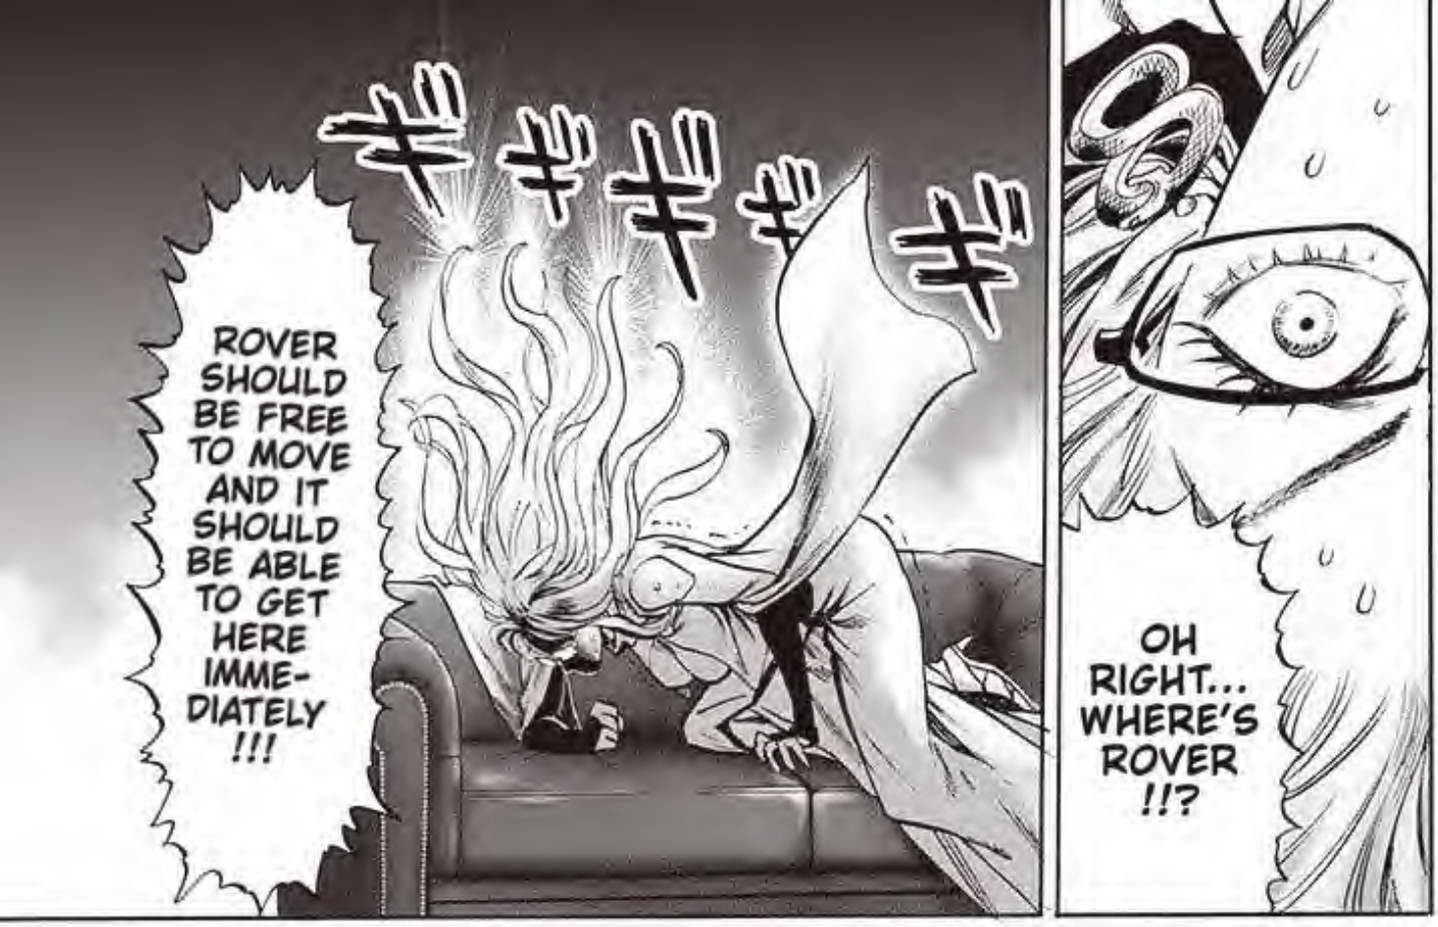
Crap ...!!!
Was she able to sense the distant location of the signal source from the tiny amount of telepathic waves coming out of my Gyoro Gyoro puppet!?

...no! She's looking right at me...!!

STOP HIDING ALL THE TIME, COME OUT AND JOIN THE PARTY.

Ugh
!!?

I'm being restrain-ed!!?
She's making a move...
Cadres... anyone will do, can someone distract Tatsumaki for me!?
Ugg gggh hhhh hh



OH RIGHT... WHERE'S ROVER !!?
ROVER SHOULD BE FREE TO MOVE AND IT SHOULD BE ABLE TO GET HERE IMME-DIATELY !!!

Maximum telepathy output!!!

Hurry up and mobilize! Go get Tatsmaki ...!!!!
